Elegant and refined, Lecce is one of the most appreciated cities of art in **Southern Italy**. Here, the Baroque style predominates and takes on a local

connotation, the **“Leccese Baroque”**. This style is characterized by the fine stonework in **Lecce stone** and not by lavish gold decorations. The façades of churches and historic buildings seem modeled by skillful hands. Stroll through the old town and admire the showcases of craft shops: from papier-mâché masters to the local pastry-making. You will **taste** a delicious **local specialty** in one of these bakeries: the **“pasticciotto”**, a pastry filled with custard cream. Rest of the day at your leisure. Overnight stay.

The miracle of his stigmata was recognized by the Pope after the approval of the three commis-

An Oasis of Nature and Scents

The Cinque Terre one of the most unspoilt areas of the Mediterranean and one of the most extended areas in Liguria. They are a kingdom of nature and wild scents maintained as in the past.

To visit Cinque Terre means to visit five villages suspended between sea and earth, clinging on to cliffs and surrounded by green hill; it means to know the history of whom, for centuries, has fought against difficult land but it also means to taste the result of this millenarian struggle and in particular wine and produce. Visit these villages means to learn the culture of the drystone walls and of the vineyard, of the fishermen and of their nets, of the steep valleys and of their path. Who visit Cinque Terre can choose between a dive in the sea or hike on the hills, between a walk in the narrow alleys called "carruggi" or a ride by boat, a pilgrimage to a sanctuary or a seafood lunch. It is a landscape unique in the world in which man and nature live together in harmony since the beginning of time.

DAY 1 Bari

Welcome to Bari! Meet your driver at the airport and **transfer** to the **hotel**. Enjoy your first **day** in the city at **your own leisure**. Overnight stay.

DAY 2 Bari

After breakfast at your hotel, **meet your guide in the hotel*** to start a wonderful **walking tour**. **Bari** boasts the presence of the **Basilica of San Nicola**, an important example of **Apulian Romanesque architecture**. This church is included amongst the most important places of worship in the world, where Catholic and Orthodox worships blend together. **Bari "Vecchia"** is also really characteristic, where time seems to have stopped: women who every day, seated outside their houses, prepare the typical **orecchiette** (local pasta), children playing in the street, laundry hanging in the sun, and the disarming congeniality typical of inhabitants of **Bari**. And what about the **focaccia barese**? It's hard to resist the aroma... Do not worry! You will taste it ;-). Rest of the **day at your own total disposal**. Overnight stay.

*Pick up in the hotel included only if centrally located.

DAY 3 Bari > Lecce

After breakfast at your hotel, at the time indicated, head to **Bari**

train station to reach **Lecce**. Once there, **make your own way** to your **hotel**, check in at the hotel.

DAY 4 Lecce

After breakfast at your hotel, meet your **guide in Porta san Biagio** and **start the panoramic walking tour** strolling through the streets of this beautiful city where you will admire the **Apulian Baroque** art, discovering churches and monuments. Elegant and refined, **Lecce** is one of the most appreciated cities of art in Southern Italy. Here the Baroque style predominates and takes on a local connotation, the **"Leccese Baroque"**. This style is characterized by the fine stonework in **Lecce stone** and not by lavish gold decorations. The façades of churches and historic buildings seem modeled by skillful hands. Strolling through the old town, you will admire showcases of craft shops: from papier-mâché masters to the local pastry-making. You will **taste** a delicious **local specialty** in one of these local bakeries: the **"pasticciotto"**, a pastry filled with custard cream. Rest of the day at your leisure. Overnight stay.

DAY 5 Lecce

Breakfast at the hotel and **transfer to Brindisi airport or Lecce train station**. End of our services.

DAY 4 Bari

After breakfast at your hotel, **meet your guide in the hotel*** to start a wonderful **walking tour**. **Bari** boasts the presence of the **Basilica of San Nicola**, an important example of **Apulian Romanesque architecture**. This church is included amongst the most important places of worship in the world, where Catholic and Orthodox worships blend together. **Bari "Vecchia"** is also really characteristic, where time seems to have stopped: women who every day, seated outside their houses, prepare the typical **orecchiette** (local pasta), children playing in the street, laundry hanging in the sun, and the disarming congeniality typical of

inhabitants of **Bari**. And what about the **focaccia barese**? It's hard to resist the aroma... Do not worry! You will taste it ;-) Rest of the **day at your own total disposal**. Overnight stay.

*Pick up in the hotel included only if centrally located.

DAY 5 Bari > Lecce

DAY 6 Lecce

After breakfast at your hotel, meet your **guide** in **Porta san Biagio** and **start the panoramic walking tour** strolling through the streets of this beautiful city where you will admire the **Apulian Baroque** art, discovering churches and monuments. Elegant and refined, **Lecce** is one of the most appreciated cities of art in Southern Italy. Here the Baroque style predominates and takes on a local connotation, the **"Leccese Baroque"**. This style is characterized by the fine stonework in **Lecce stone** and not by lavish gold decorations. The façades of churches and historic buildings seem modeled by skillful hands. Strolling through the old town, you will admire showcases of craft shops: from papier-mâché masters to the local pastry-making. You will **taste** a delicious **local specialty** in one of these local bakeries: the **"pasticciotto"**, a pastry filled with custard cream. Rest of the day at your leisure. Overnight stay.

DAY 7 Lecce

Breakfast at the hotel and **transfer to Brindisi airport or Lecce train station**. End of our services.
