Outside Venice Tours

T24 AM - Dolomites scenic escape from Venice

Small group max 8 pax

Departing from Venice, this full-day journey leads you into the heart of the majestic Dolomites, a UNESCO World Heritage landscape renowned for its dramatic peaks, alpine lakes and picturesque villages.

The experience begins a comfortable drive north through the Veneto countryside. After approximately 90 minutes, the first stop is the historic town of Pieve di Cadore, birthplace of the Renaissance painter Titian. Here, guests can enjoy a short stroll and admire a breathtaking panoramic viewpoint overlooking Lake Centro Cadore, surrounded by towering mountain scenery. The journey continues toward Auronzo di Cadore, where a brief stop at the lake dam offers a striking photo opportunity, especially when the water flows powerfully through the gates. The alpine atmosphere becomes increasingly dramatic as the tour proceeds deeper into the Dolomites. A highlight of the day is the extended stop at Lake Misurina, often referred to as the "Pearl of the Dolomites." Surrounded by iconic peaks, this crystal-clear lake provides the perfect setting for a relaxing walk along its shores. Guests will have free time for lunch at one of the local lakeside restaurants, sampling traditional mountain cuisine. During the summer months, it is also possible to rent a small rowboat or take the panoramic chairlift to Col de Varda (optional and not included) for sweeping views over the alpine landscape. In the afternoon, the tour reaches the elegant resort town of Cortina d'Ampezzo, internationally known as the "Queen of the Dolomites" and host of the 2026 Winter Olympic Games. Guests can enjoy a leisurely walk along Corso Italia, the prestigious pedestrian street lined with boutiques, cafés and alpine-style architecture, soaking in the refined mountain ambiance. At the end of the visit, the return journey to Venice concludes this unforgettable day immersed in the natural beauty of northern Italy. This tour is suitable for both active travellers who enjoy scenic walks and for those who prefer a more relaxed pace, offering the perfect balance between exploration and comfort.

The itinerary may be adjusted depending on weather and traffic conditions to ensure the best possible experience.

T25 AM - The Golden Hills Experience: Prosecco, Asolo & Spritz from Venice

Small group max 8 pax

Your journey starts at Piazzale Roma, where you leave the bustling canals of Venice behind for a day of rolling vineyards and medieval charm. In less than an hour, you will reach the Prosecco Hills, a UNESCO World Heritage Site famous for its stunning landscapes and world-class sparkling wine.

The route takes you along the scenic Prosecco road, far from the typical tourist crowds. Your first stop is a hidden gem: a family-run winery perched on a breathtaking hillside. Here, you will discover the traditional secrets of winemaking and enjoy a guided tasting of four distinct types of Valdobbiadene Prosecco DOCG. To complement the wine, you will be served a light lunch featuring authentic local delicacies, including artisanal salami, cheeses, and fresh bread.

The experience continues with a classic Italian tradition. You will head to a panoramic terrace to enjoy a refreshing Aperol Spritz paired with snacks, all while overlooking the most beautiful vistas of the Valdobbiadene region.

Before returning, you will explore Asolo, often called the "City of a Hundred Horizons." As one of Italy's most enchanting medieval villages, Asolo offers a timeless atmosphere. You can wander through cobbled alleys, admire frescoed loggias and stone houses, and soak in the rich history that has inspired artists and poets for centuries. If you find a wine you love but have no room in your suitcase, international shipping can be easily arranged to get your favorite bottles safely to your doorstep.
