Take a day trip from Milan to discover the beautiful town of Verona, the famous setting of Shakespeare's 'Romeo and Juliet' and the unmissable Sirmione, a stunning lakeside town on Lake Garda where ancient roman ruins meet the crystal blue shores.

Verona is a beautiful and romantic city, a prosperous medieval town in its own and also a popular tourist destination. Step back into Shakespearean times and call for your Romeo from Juliet's balcony or visit the exceptionally preserved ancient Roman Arena where during the summer concerts and operas are still performed. You will also have free time to explore the narrow medieval streets and the renaissance palace that make up Verona's historic center. The stunning lakeside towns around Lake Garda have fascinated visitors for centuries. The first people to fall in love with the area were the Romans, who made it a luxurious summer destination; and in Sirmione you can visit ruins and mosaics that mark their presence. Sirmione, which lies between the blue waters of Lake Garda and green olive trees, is undoubtedly one of the most romantic places on earth and its beauty has been praised by Roman poet Catullus since the early days. Visit the narrow medieval streets that burst with color, the moated castle, Rocca Scaligera or take a wander through the towns most striking attraction, the grand Roman Villa. Here you can admire the ruined walls and archaeological delights, including a charming carving of rabbits in the small museum.

17 AM Cinque Terre

One day tour

UnescoJewelsOfItaly

Discover the beautiful Cinque Terre! A UNESCO World Heritage Site, Cinque Terre, meaning 'five lands' (Riomaggiore, Manarola, Corniglia, Vernazza and Monterosso) are five perilously perched villages strung along a short stretch of cliffs that face the Liguria Sea on one of Italy's most scenic stretches of coastline.

Leaving Milan, you arrive directly at the Cinque Terre and via a scenic route on the coast you reach Manarola. Here you'll have free time to venture around the vineyards, stroll the piers where fishing boats line the shore or watch the locals and the tourists jumping into the sea from the rocks of the harbor!

Right before lunch time (lunch not included) you catch the train to Monterosso al mare, the biggest of the five villages, where you will have time to explore and visit the beaches dotted along the coast. Despite the number of tourists, there is still a real sense of local identity even in the most tourist-crammed little 'piazze'. Restaurants, bars and accommodation all have an endearingly homespun air about them as though when the locals saw tourists coming, they found a few garden chairs to stick on their terrace, hand painted a sign and began serving customers.

From Monterosso you will start the final leg of your journey, probably the most inspiring, a 90 minutes boat cruise. The perfect way to admire the stunning views of the Cinque Terre and the delightful village of Portovenere from the sea. After this memorable experience, you will arrive at La Spezia where your coach will be waiting to take you back to Milan.

2 AM Genoa and Portofino

One day tour

Discover Genoa, a city with a glorious past! Spend your morning in the Birthplace of Christopher Columbus which today is one of the most charming cities in Northern Italy. Finish your day in Portofino, the pearl of the Ligurian sea with its quintessential feel and crystalline green waters.

The biggest medieval town in Europe, Genoa maintains the charm of the ancient maritime republic. The Ancient Harbour renovated in 1992 by the architect Renzo Piano and the labyrinth of narrow alleyways in the old town are just two of the many attractions of this city.

On arrival in Genoa downtown, a professional guide will show you the heart of the city on an inspiring walking tour.

Following free time for lunch, head to the picturesque coastal town of Rapallo on the Gulf of Tigullio. Here, board a boat for a scenic mini-cruise along the Riviera to the idyllic village of Portofino, a romantic, crescent-shaped harbor praised throughout history by celebrated writers and artists.
