Archaeological wonders of Rome

A walk through history

DO YOU KNOW..

The Colosseum opened to the public in 80 CE with 100 days of games

The games in the Colosseum were free for the Roman citizens to enjoy. Free food was sometimes also offered

The Colosseum's actual name is Amphitheatrum Flavium

2CP AM | 2C AM

Colosseum, Roman Forum and Palatine Hill

The Ancient Romans didn't like to stay in bed in the morning. Actually, they were suspicious of those who opted for a lie-in and typically woke up at sunrise or earlier, then headed to the Forum and got to do business. If you're an early bird like them, come and join us on this tour of Rome's archaeological area: accompanied by a professional guide who'll provide you with a pocket audio receiver and earphones, so you don't miss a single detail of our local expert guide! The **Flavian Amphitheater** stood the test of time and stayed pretty much intact: you'll get to know more about the way Romans used to enjoy their leisure hours while walking inside the original places where they used to watch gladiatorial or animal fights. You'll reach the **Palatine Hill,** the place where Rome was founded more than 2.772 years ago by the legendary twin brothers Romulus and Remus and you'll stroll around the **Roman Forum**, the pulsating heart of ancient Roman life: let your guide tell you everything about those days and take you on a travel through time. Finding us is easy: come at our designated meeting point or, if you prefer a smoother start to your day, go for our pick-up option and wait for us at your centrally located hotel.

OVERLOOKING ROME

Designed by Michelangelo in 1547, St. Peter's dome was finished by Giacomo della Porta and Domenico Fontana in 1590.

It's the highest dome in the world, measuring 136.57 metres (448.1 ft) from the floor to the top of the external cross.

St. Peters' is also the highest building in Rome's city center: following to an established tradition, no one ever built anything higher in town, maybe to preserve Rome's well known and beloved skyline.

Borghese Gallery at your pace

Secure your **skip-the-line entry ticket to the Borghese Gallery** in Rome and immerse yourself in the works of Bernini, Canova, Caravaggio, Titian, and other master artists. Enjoy a guided entrance before exploring the museum at your own pace. Skip the long lines outside the gallery and enter promptly to begin admiring the captivating treasures on display. As you explore, marvel at the extensive collection of sculptures and paintings, which includes renowned masterpieces such as Caravaggio's "Saint Jerome Writing" and Raphael's "Deposition." Luxury dinner with superior wine pairings in the Pantheon area

Spoil yourself after a long, busy day spent around Rome sightseeing: have dinner in a group of fewer than 10 people in a stunning, **exclusive location in the Pantheon area**. Our trusted local gourmand will be your guide for this indulgent evening: find them at our meeting point in Piazza Della Minerva and reach the **elegant, family-run restaurant** that we reserved for you, where the owners will greet you with a smile and their **typical Italian style**. This surprising place doesn't only offer **delicious food in a stunning location**: it also owns a prestigious historical wine cellar, built during ancient times and discovered during the renovation works of the palazzo. It was only on this occasion that a majestic Roman structure was identified at the cellar floor: entirely made of squared blocks and incorporated in the sixteenth-century building that lays right above. Our aperitivo will be here, on the cellar floor (except if under maintainance or restoration works): a glass of sparkling prosecco wine, paired with a platter of traditional cured meats and cheeses from different Italian regions, just to whet your appetite. Afterward, you'll move on to the actual dinner: a traditional dish of *paccheri* pasta with cacio e pepe sauce, followed by beef or fish course and a side of cheese and vegetables. Every dish will be, obviously, paired with a glass of **superior wine carefully selected** by the restaurant's sommelier, and the dinner will end with a selection of desserts: an **immersive experience in Italian food history and culture that you won't forget**.

Masterpieces unveiled: a journey through the Borghese Gallery

When in Rome, one cannot miss out on the Borghese Gallery, a museum that houses a very important art collection including works by Bernini, Caravaggio, Canova and Raphael. A professional local guide will illustrate the Gallery and its elegant, sophisticated and even regal interior and exterior spaces. The underlying sculptures and paintings in the building come from the private collection of cardinal Scipione Borghese (1579 - 1633), an art collector and patron, son of Ortensia Borghese, pope Paul V's sister. The cardinal's attention was directed to all Renaissance and contemporary art expressions, but wasn't really into medieval art. Thus, his ambitions favored sculptures and marble groups whose high standards rivaled those of ancient art. Pauline Bonaparte as Venus Victrix, sculpted by Canova between 1805 and 1808, has been here since 1838. In 1807 Camillo Borghese gave Napoleon 154 statues, 160 busts, 170 bas reliefs, 30 columns and a number of other objects that now make for a Borghese-derived Louvre catalog. Bernini's artworks (Apollo and Daphne, The rape of Proserpina, David, to name just a few) have a prominent position in the gallery's spaces on the first floor, too - so much so that one cannot but remain literally entranced by them. The collection of paintings is also very compelling: Pictures by Caravaggio, Titian, Correggio and Raphael are displayed on the second floor among many others. Tickets to the Gallery must be booked well in advance, but we take care of it! By booking this tour, access is secured and you won't have to pay anything at check-in. The tour also includes hotel pick-up. From any centrally located hotel, we'll reach the museum together with no stress by private minivan. A version without pick-up is an option (the tour will start at a meeting point). When the tour is over, we suggest lingering outside in Villa Borghese, the huge public garden where the Gallery is located. Everyone finds a walk along the villa's tree-flanked promenades very relaxing. The Pincio terrace is a twenty-minute walk, this being one of Rome's hills. From here one can enjoy wonderful views not only over Piazza del Popolo right below and the Prati district, but also St Peter's Dome, the Gianicolo, the Quirinale, Piazza Venezia as well as the Capitol hill. Maritozzi & Roman breakfast tour in Trastevere

Ready to experience the most authentic Roman breakfast? Join us on the Maritozzi breakfast tour in Trastevere, an exclusive culinary journey celebrating the iconic Roman pastry, the maritozzo, and other delicious treats. From sweet pastries to savory delights, this tour takes you from breakfast to lunch, offering an immersive cultural and gastronomic experience in one of Rome's most charming districts. Begin your morning in the heart of **Trastevere**, one of Rome's most enchanting neighborhoods. Known for its cobblestone streets, vibrant charm, and authentic Roman vibe, Trastevere sets the perfect stage for this culinary journey. Meet your expert foodie guide and prepare to embark on an unforgettable breakfast adventure. Kick off your experience with a quintessential Roman breakfast: a steaming cappuccino paired with a flaky cornetto, or perhaps a robust espresso or comforting caffellatte. This first stop takes place in a venue rich with history—formerly the stage of a historic theater—where you'll savor the timeless joy of morning rituals cherished by locals. As your tour unfolds, stroll through Trastevere's winding streets, brimming with character. Adorned with lush greenery and vibrant street art, these alleys are filled with stories waiting to be told. Your guide will reveal hidden gems and share fascinating insights about the district's unique culture and history. Next, step into a beloved family-run bakery, one of the oldest in the area. Here, you'll sample the delightful ciavattone, a puff pastry filled with custard, ricotta, or jam. Crafted with generations of tradition, this artisanal treat is a true testament to Rome's love for sweet indulgence. The adventure continues at an iconic Roman bar, a bustling spot where locals gather to play cards and enjoy their morning routines. Sink your teeth into a soft, cloud-like maritozzo filled with whipped cream, perfectly complemented by a refreshing granita di caffè (coffee slush). This sweet pairing is a quintessential Roman favorite, offering a perfect blend of flavor and texture. But the tour doesn't stop at sweet delights. Discover the savory side of the maritozzo, a lesser-known yet equally delicious variation. At the final stop, savor maritozzi filled with rich and flavorful pollo alla cacciatora (hunter-style chicken) or the exquisite combination of burrata and anchovies. Paired with a glass of wine, this last indulgence ties your morning together with a touch of Roman elegance. This unique tour is more than just a feast for the palate—it's an exploration of Rome's culinary traditions and cultural heartbeat. As you walk, taste, and discover, your guide will share valuable tips for continuing your culinary journey in the Eternal City.

Sunset cooking class in the Jewish Ghetto

Take your authentic Roman-style pasta cooking class in the Jewish district of Rome as seen in the Stanley Tucci's show. Take a break from visiting the city by meeting local people and learning how to make a typical Roman dinner menu from scratch. The area offers breathtaking views of the stratification of Rome over centuries and a number of shops as well as very good restaurants selling Jewish-Roman food. Enjoy the easygoing lifestyle the Ghetto is so famous for! Access the restaurant where the class takes place and meet your Chef who will be ready to share his recipes with you and reveal his tricks. This is a hands-on class, but being a simple spectator is also an option: you can relax, watch the chef at work, while you sip a glass of wine. You will learn how to make homemade pasta from scratch, cleaning and preparing seasonal vegetables to fry, and taste desserts that Roman grandmothers used to cook for their kids. Seasonal food is a must in Rome. In a winter class, you'll have the opportunity to learn how to peel artichokes and cook them in the Jewish style, one of the highlights of Roman cuisine (carciofi alla giudia). In a typical summer class, you'll learn how to prepare zucchini flowers or other amazingly fresh vegetables that are in season during warmer months to make the original "fritto romano". For dessert, taste the amazing torta di ricotta e visciola, a famous ricotta cheesecake made with simple and delicious ingredients (visciola is a sour cherry). Book your pasta cooking class if you are looking for an authentic and entertaining experience in the Jewish district! Do not expect an academic class, though, just some time together with local people having fun as you prepare your own dishes!

Important note: the restaurant & the cooking class are not kosher.

Foodies of the world, unite! Whether you're a seasoned gourmand or just a food lover wishing to find out more about Roman cuisine and Italian food traditions, reach our meeting point. You'll join our local food connoisseur guide for a food walk, in a group of no more than 12 people (and yes, you'll try and taste lots of different treats!). We know that exercise makes one hungry, that's why we thought you'd appreciate some pit-stops. For instance, you'll enjoy a **slice of freshly baked crispy pizza bianca** (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut **mortadella**: a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about **trying a suppli**? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food. Pasta will be on the list too, along with some dishes from the **Roman Jewish tradition**: **the carciofo alla giudia** a Jewish style deep-fried artichoke that resembles a tiny sunflower or the **fried zucchini flower** (according to seasonality). Cooking class in the Roman countryside

Nothing speaks more authentic Italian than visiting an ancient village off the beaten tourist track, especially if you add cooking and eating to the picture. We chose **Mazzano Romano**, a special location 35 km north of Rome: this Medieval town is right inside the protected area of the Veio Regional Park. Reach our meeting point: in a group of 2 up to 8 people, you'll travel to Mazzano Romano by car. Wear comfortable clothes and avoid your best shoes, because you'll join our trusted chef to either go grocery **shopping at a farmer's market or, according to season, you'll reach a lavish farm!** Here you'll pick by hand all of the ingredients required for your lunch: seasonal veggies, fragrant herbs, and freshly laid eggs. Once in the kitchen, **you'll learn how to prepare every item on the menu: antipasti, several kinds of hand-made fresh pasta, a second course and a lovely dessert**. This step-by-step class that employs easy techniques is suitable for aspiring cooks of all ages and will let you become a pasta pro, able to replicate the whole menu once you're back home. You'll lunch to your own preparations, perfectly paired with some good wine and maybe you'll find out that you have a real talent for Italian cuisine! Enjoy the countryside and relax: in the afternoon we'll take you back to Rome.

Venice by high-speed train

Let us take you to Venice and back from Rome in just one day! No destination is too far away from Rome by high-speed trains. A tour leader will be with you to make sure you make it to Venice safely, show you around so you won't feel disoriented and give you tips that would do the trick. You will meet your leader at Roma Termini railways station for check-in. Follow him or her to the platform and get on the train with no stress. You will reach Venice in a bit more than 3 hours. From Venezia Santa Lucia railway station, you will reach a vaporetto stop (dock) located a stone's throw away. Enjoy the ride on the Venetian typical public transport waterbus, a fantastic way to start taking a glimpse at amazing views, architecture, historical buildings and churches façades, docks, gondolas, common residents running their errands and tourists doing their thing... The one-run ticket pass to the city center is included, and handed out by the tour leader. St. Mark's Square is the heart of the historical center. After getting off the vaporetto and a two-minute walk, simply take a left turn and take in the magnificence of the Western façade of St. Mark's Basilica. What makes Venice special is also the 118 small islands it is built on as well as the 400ish bridges that span the famous canals: from St. Mark, don't be afraid to get lost in the maze of alleys (or calli) to see them. Spend some time shopping, sipping an espresso in one of the quaint historical coffee shops, or even sitting at the outside table of a modern bar. Maybe make a stop (highly recommended) on the Bridge of Sighs (or Ponte dei sospiri), one of the most beautiful Insta spots for amazing shots. On your way back to the railway station, meet your tour leader because he or she has something for you... We thought we'd invite you for an aperitivo, or cicchetto, as Venetians call it. It is a mix of small savory snacks and side dishes typically served in a bar or informal restaurant and washed down with a spritz veneziano. Is there a better way to relax and rest your feet after an intense but memorable excursion in one of the most astounding cities in the world?

Florence & Uffizi Gallery semi-private guided tour by high-speed train

Florence is Italy's pride and joy, Tuscany's capital city and the cradle of the Renaissance! And now you can reach it in less than two hours from Rome with us! It has an important role in the civilization of the Western world and Italy. It is visited because of its beauty, and known for the amazing art and architecture. It was a home to many artists, architecture masters and painters along its history - you will be fascinated by its monuments, churches, and buildings. We will pick up from your hotel and take you to Roma Termini railway station or reach us at our meeting point (option tour code 19M). There, one of our travel assistants will check you in and board the train with you so won't be alone during the journey. Local tips as well as pieces of information will be disclosed to get you in the mood for this special day-trip. Once in Florence, he/she will accompany you to the meeting point of the guided tour, that is the starting point of an interesting walking tour in the heart of Florence which precedes the visit to the **Uffizi Gallery**. A local guide will meet you in Piazza del Duomo (Cathedral Square) and illustrate its most salient points: the Cattedrale di Santa Maria del Fiore with the Cupola del Brunelleschi, the Giotto's Campanile and the Florence Baptistery. You will then see **Piazza della Repubblica** (originally the site of the city's forum, then of its ghetto, which was cleared up during some important improvement works of the square), Orsanmichele exterior (a building constructed on the site of the kitchen garden of the no longer existing monastery of San Michele), the astounding **Ponte Vecchio** (a medieval stone arch bridge over the Arno River) and **Piazza Signoria** (the focal point of the origin and history of the Florentine Republic; this is where one can admire the 'David' sculpture by Michelangelo, actually a perfect copy of the original one housed in the Galleria dell'Accademia di Firenze for protection). After the walking tour you will access the famous Galleria degli Uffizi to see its highlights up close. It is one of the most famous museums in the world. Among its countless works, you will have the chance to admire the masterpieces of Botticelli, Leonardo, Michelangelo, Raphael, Titian and Caravaggio. Indeed, some of the priceless works to be seen and illustrated by the local guide are: Sandro Botticelli's The Birth of Venus, Caravaggio's Medusa, Artemisia Gentileschi's Judith Beheading Holofernes, Titian's Venus of Urbino. All their secrets will be unveiled by the local guide as he/she contextualizes their origins and the stories behind them. After completing the visit, there will be plenty of free time to explore a little bit of the city at your leisure and have lunch or a snack (not included in the price) at a nice restaurant or bar. You will meet the assistant at a given time, head to the train station and cozily travel back to Rome in the late afternoon. End of services.
