Archaeological wonders of Rome

A walk through history

DO YOU KNOW..

The Colosseum opened to the public in 80 CE with 100 days of games

The games in the Colosseum were free for the Roman citizens to enjoy. Free food was sometimes also offered

The Colosseum's actual name is Amphitheatrum Flavium

2CP AM | 2C AM

Colosseum, Roman Forum and Palatine Hill

The Ancient Romans didn't like to stay in bed in the morning. Actually, they were suspicious of those who opted for a lie-in and typically woke up at sunrise or earlier, then headed to the Forum and got to do business. If you're an early bird like them, come and join us on this tour of Rome's archaeological area: accompanied by a professional guide who'll provide you with a pocket audio receiver and earphones, so you don't miss a single detail of our local expert guide! The **Flavian Amphitheater** stood the test of time and stayed pretty much intact: you'll get to know more about the way Romans used to enjoy their leisure hours while walking inside the original places where they used to watch gladiatorial or animal fights. You'll reach the **Palatine Hill,** the place where Rome was founded more than 2.772 years ago by the legendary twin brothers Romulus and Remus and you'll stroll around the **Roman Forum**, the pulsating heart of ancient Roman life: let your guide tell you everything about those days and take you on a travel through time. Finding us is easy: come at our designated meeting point or, if you prefer a smoother start to your day, go for our pick-up option and wait for us at your centrally located hotel.

THE FOUNDATION OF ROME

The ancient Roman legend tells us that the Eternal City was founded by Romulus on the 21st of April in 753 b.C.
Mythical sons of King Amulius' niece Rhea Silvia, Romulus and his twin Remus were the illegitimate offspring of the Vestal's union with the god Mars. As they represented a threat to the King's rule, the two babies were set adrift on the river Tiber.
The god of the river protected the twins and dragged them to a pool by the bank where they were found and sucked by a she-wolf.
As they grew up into adults, they set out to build a city of their own. After a dispute over the hill upon which to build, Romulus went on tracing out the city walls perimeter by digging a groove around the Palatine Hill but Remus, angered, jumped inside the sacred perimeter of the new city. The two brothers started a fight that ended up with the killing of Remus and the proclaiming of Romulus as the first King of Rome: a new city was born on this day, 2772 years ago and the she-wolf, (in Italian "la lupa") has been since then a beloved symbol of the city of Rome and its inhabitants.

OVERLOOKING ROME

Designed by Michelangelo in 1547, St. Peter's dome was finished by Giacomo della Porta and Domenico Fontana in 1590.

It's the highest dome in the world, measuring 136.57 metres (448.1 ft) from the floor to the top of the external cross.

St. Peters' is also the highest building in Rome's city center: following to an established tradition, no one ever built anything higher in town, maybe to preserve Rome's well known and beloved skyline.

Borghese Gallery was Cardinal Scipione Borghese's private art gallery: he was an avid collector of works by Caravaggio and an early patron of Bernini

Borghese Gallery at your pace

Secure your **skip-the-line entry ticket to the Borghese Gallery** in Rome and immerse yourself in the works of Bernini, Canova, Caravaggio, Titian, and other master artists. Enjoy a guided entrance before exploring the museum at your own pace. Skip the long lines outside the gallery and enter promptly to begin admiring the captivating treasures on display. As you explore, marvel at the extensive collection of sculptures and paintings, which includes renowned masterpieces such as Caravaggio's "Saint Jerome Writing" and Raphael's "Deposition." Luxury dinner with superior wine pairings in the Pantheon area

Spoil yourself after a long, busy day spent around Rome sightseeing: have dinner in a group of fewer than 10 people in a stunning, **exclusive location in the Pantheon area**. Our trusted local gourmand will be your guide for this indulgent evening: find them at our meeting point in Piazza Della Minerva and reach the **elegant, family-run restaurant** that we reserved for you, where the owners will greet you with a smile and their **typical Italian style**. This surprising place doesn't only offer **delicious food in a stunning location**: it also owns a prestigious historical wine cellar, built during ancient times and discovered during the renovation works of the palazzo. It was only on this occasion that a majestic Roman structure was identified at the cellar floor: entirely made of squared blocks and incorporated in the sixteenth-century building that lays right above. Our aperitivo will be a glass of sparkling prosecco wine, paired with a platter of traditional cured meats and cheeses from different Italian regions, just to whet your appetite. Afterward, you'll move on to the actual dinner: a traditional dish of *paccheri* pasta with cacio e pepe sauce, followed by beef or fish course and a side of cheese and vegetables. Every dish will be, obviously, paired with a glass of **superior wine carefully selected** by the restaurant's sommelier, and the dinner will end with a selection of desserts: an **immersive experience in Italian food history and culture that you won't forget**.

Masterpieces unveiled: a journey through the Borghese Gallery

When in Rome, one cannot miss out on the Borghese Gallery, a museum that houses a very important art collection including works by Bernini, Caravaggio, Canova and Raphael. A professional local guide will illustrate the Gallery and its elegant, sophisticated and even regal interior and exterior spaces. The underlying sculptures and paintings in the building come from the private collection of cardinal Scipione Borghese (1579 - 1633), an art collector and patron, son of Ortensia Borghese, pope Paul V's sister. The cardinal's attention was directed to all Renaissance and contemporary art expressions, but wasn't really into medieval art. Thus, his ambitions favored sculptures and marble groups whose high standards rivaled those of ancient art. Pauline Bonaparte as Venus Victrix, sculpted by Canova between 1805 and 1808, has been here since 1838. In 1807 Camillo Borghese gave Napoleon 154 statues, 160 busts, 170 bas reliefs, 30 columns and a number of other objects that now make for a Borghese-derived Louvre catalog. Bernini's artworks (Apollo and Daphne, The rape of Proserpina, David, to name just a few) have a prominent position in the gallery's spaces on the first floor, too - so much so that one cannot but remain literally entranced by them. The collection of paintings is also very compelling: Pictures by Caravaggio, Titian, Correggio and Raphael are displayed on the second floor among many others. Tickets to the Gallery must be booked well in advance, but we take care of it! By booking this tour, access is secured and you won't have to pay anything at check-in. The tour also includes hotel pick-up. From any centrally located hotel, we'll reach the museum together with no stress by private minivan. A version without pick-up is an option (the tour will start at a meeting point). When the tour is over, we suggest lingering outside in Villa Borghese, the huge public garden where the Gallery is located. Everyone finds a walk along the villa's tree-flanked promenades very relaxing. The Pincio terrace is a twenty-minute walk, this being one of Rome's hills. From here one can enjoy wonderful views not only over Piazza del Popolo right below and the Prati district, but also St Peter's Dome, the Gianicolo, the Quirinale, Piazza Venezia as well as the Capitol hill. The outlook from the Pincio is really one of a kind!

Maritozzi & Roman breakfast tour in Trastevere

Ready to experience the most authentic Roman breakfast? Join us on the Maritozzi breakfast tour in Trastevere, an exclusive culinary journey celebrating the iconic Roman pastry, the maritozzo, and other delicious treats. From sweet pastries to savory delights, this tour takes you from breakfast to lunch, offering an immersive cultural and gastronomic experience in one of Rome's most charming districts. Begin your morning in the heart of **Trastevere**, one of Rome's most enchanting neighborhoods. Known for its cobblestone streets, vibrant charm, and authentic Roman vibe, Trastevere sets the perfect stage for this culinary journey. Meet your expert foodie guide and prepare to embark on an unforgettable breakfast adventure. Kick off your experience with a quintessential Roman breakfast: a steaming cappuccino paired with a flaky cornetto, or perhaps a robust espresso or comforting caffellatte. This first stop takes place in a venue rich with history—formerly the stage of a historic theater—where you'll savor the timeless joy of morning rituals cherished by locals. As your tour unfolds, stroll through Trastevere's winding streets, brimming with character. Adorned with lush greenery and vibrant street art, these alleys are filled with stories waiting to be told. Your guide will reveal hidden gems and share fascinating insights about the district's unique culture and history. Next, step into a beloved family-run bakery, one of the oldest in the area. Here, you'll sample the delightful ciavattone, a puff pastry filled with custard, ricotta, or jam. Crafted with generations of tradition, this artisanal treat is a true testament to Rome's love for sweet indulgence. The adventure continues at an iconic Roman bar, a bustling spot where locals gather to play cards and enjoy their morning routines. Sink your teeth into a soft, cloud-like maritozzo filled with whipped cream, perfectly complemented by a refreshing granita di caffè (coffee slush). This sweet pairing is a quintessential Roman favorite, offering a perfect blend of flavor and texture. But the tour doesn't stop at sweet delights. Discover the savory side of the maritozzo, a lesser-known yet equally delicious variation. At the final stop, savor maritozzi filled with rich and flavorful pollo alla cacciatora (hunter-style chicken) or the exquisite combination of burrata and anchovies. Paired with a glass of wine, this last indulgence ties your morning together with a touch of Roman elegance. This unique tour is more than just a feast for the palate—it's an exploration of Rome's culinary traditions and cultural heartbeat. As you walk, taste, and discover, your guide will share valuable tips for continuing your culinary journey in the Eternal City.

Sunset cooking class in the Jewish Ghetto

Take your authentic Roman-style pasta cooking class in the Jewish district of Rome as seen in the Stanley Tucci's show. Take a break from visiting the city by meeting local people and learning how to make a typical Roman dinner menu from scratch. The area offers breathtaking views of the stratification of Rome over centuries and a number of shops as well as very good restaurants selling Jewish-Roman food. Enjoy the easygoing lifestyle the Ghetto is so famous for! Access the restaurant where the class takes place and meet your Chef who will be ready to share his recipes with you and reveal his tricks. This is a hands-on class, but being a simple spectator is also an option: you can relax, watch the chef at work, while you sip a glass of wine. You will learn how to make homemade pasta from scratch, cleaning and preparing seasonal vegetables to fry, and taste desserts that Roman grandmothers used to cook for their kids. Seasonal food is a must in Rome. In a winter class, you'll have the opportunity to learn how to peel artichokes and cook them in the Jewish style, one of the highlights of Roman cuisine (carciofi alla giudia). In a typical summer class, you'll learn how to prepare zucchini flowers or other amazingly fresh vegetables that are in season during warmer months to make the original "fritto romano". For dessert, taste the amazing torta di ricotta e visciola, a famous ricotta cheesecake made with simple and delicious ingredients (visciola is a sour cherry). Book your pasta cooking class if you are looking for an authentic and entertaining experience in the Jewish district! Rome food tour

Foodies of the world, unite! Whether you're a seasoned gourmand or just a food lover wishing to find out more about Roman cuisine and Italian food traditions, reach our meeting point. You'll join our local food connoisseur guide for a food walk, in a group of no more than 12 people (and yes, you'll try and taste lots of different treats!). We'll meet mid-morning and enjoy a **lovely walking tour through local food markets, grocery stores and gelato shops in the areas of Campo De' Fiori, Trastevere, and the Jewish Ghetto**. We know that exercise makes one hungry, that's why we thought you'd appreciate some pit-stops. For instance, you'll enjoy a **slice of freshly baked crispy pizza bianca** (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut **mortadella**: a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about **trying a suppli**? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food. Pasta will be on the list too, along with some dishes from the **Roman Jewish tradition**: **the carciofo alla giudia** a Jewish style deep-fried artichoke that resembles a tiny sunflower or the **fried zucchini flower** (according to seasonality). And save some space for dessert, because we won't skip our portion of **artisan gelato**!

QUINTO CUARTO

A little-known fact about Roman cuisine is the quinto quarto, a tradition rooted in the working-class district of Testaccio. In the past, slaughterhouse workers received offal as part of their wages, turning humble ingredients into iconic dishes such as oxtail stew and rigatoni with pajata, made with veal intestines.

Tivoli and its villas

A few kilometers away from Rome, there's a world-renowned town, hosting two UNESCO world heritage sites: **Tivoli**. It's here that, back in the 2nd century AD, the emperor Hadrian built his majestic villa: a luxury country residence where he used to retreat and where he lived his late years. The huge complex includes more than 30 buildings, several swimming pools, former thermal stations and covers an area that's larger than a square kilometer, which gives quite an idea of this place's aim: to show the greatness, opulence and vast power of the emperor. In the 16th century, much of the remaining marble and statues were removed from **Hadrian's Villa** by Cardinal Ippolito II d'Este, to decorate his own villa located nearby: **Villa d'Este**, another UNESCO world heritage site. Largely frescoed on the inside, the Villa is surrounded by a unique garden, displaying a complex system of pools, water jets, channels, fountains, cascades, and water games. And what makes this system of fountains such an incredible masterpiece of engineering is that it works entirely by the force of gravity, without pumps. Leaving Rome in the morning, you'll have half a day to enjoy these architectural beauties accompanied by a professional guide, who'll provide you with an audio receiver and earphones: you won't miss a single detail! And you don't even need to wrap your head around how to reach Tivoli: you can either opt for our pick-up service from your centrally located hotel or save some dimes and reach us at our meeting point. We'll take care of both transportation and entrance tickets, all you have to do is relax and enjoy the trip.

Cooking class in the Roman countryside

Nothing speaks more authentic Italian than visiting an ancient village off the beaten tourist track, especially if you add cooking and eating to the picture. We chose **Mazzano Romano**, a special location 35 km north of Rome: this Medieval town is right inside the protected area of the Veio Regional Park. Reach our meeting point: in a group of 2 up to 8 people, you'll travel to Mazzano Romano by car. Wear comfortable clothes and avoid your best shoes, because you'll join our trusted chef to either go grocery **shopping at a farmer's market or, according to season, you'll reach a lavish farm!** Here you'll pick by hand all of the ingredients required for your lunch: seasonal veggies, fragrant herbs, and freshly laid eggs. Once in the kitchen, **you'll learn how to prepare every item on the menu: antipasti, several kinds of hand-made fresh pasta, a second course and a lovely dessert**. This step-by-step class that employs easy techniques is suitable for aspiring cooks of all ages and will let you become a pasta pro, able to replicate the whole menu once you're back home. You'll lunch to your own preparations, perfectly paired with some good wine and maybe you'll find out that you have a real talent for Italian cuisine! Enjoy the countryside and relax: in the afternoon we'll take you back to Rome.

Venice by high-speed train

Let us take you to Venice and back from Rome in just one day! No destination is too far away from Rome by high-speed trains. A tour leader will be with you to make sure you make it to Venice safely, show you around so you won't feel disoriented and give you tips that would do the trick. You will meet your leader at Roma Termini railways station for check-in. Follow him or her to the platform and get on the train with no stress. You will reach Venice in a bit more than 3 hours. From Venezia Santa Lucia railway station, you will reach a vaporetto stop (dock) located a stone's throw away. Enjoy the ride on the Venetian typical public transport waterbus, a fantastic way to start taking a glimpse at amazing views, architecture, historical buildings and churches façades, docks, gondolas, common residents running their errands and tourists doing their thing... The one-run ticket pass to the city center is included, and handed out by the tour leader. St. Mark's Square is the heart of the historical center. After getting off the vaporetto and a two-minute walk, simply take a left turn and take in the magnificence of the Western façade of St. Mark's Basilica. What makes Venice special is also the 118 small islands it is built on as well as the 400ish bridges that span the famous canals: from St. Mark, don't be afraid to get lost in the maze of alleys (or calli) to see them. Spend some time shopping, sipping an espresso in one of the quaint historical coffee shops, or even sitting at the outside table of a modern bar. Maybe make a stop (highly recommended) on the Bridge of Sighs (or Ponte dei sospiri), one of the most beautiful Insta spots for amazing shots. On your way back to the railway station, meet your tour leader because he or she has something for you... We thought we'd invite you for an aperitivo, or cicchetto, as Venetians call it. It is a mix of small savory snacks and side dishes typically served in a bar or informal restaurant and washed down with a spritz veneziano. Is there a better way to relax and rest your feet after an intense but memorable excursion in one of the most astounding cities in the world?

Florence by high-speed train

If you're in Rome and still hadn't the chance to visit **Florence**, this high-speed train ticket-only option is your perfect choice for reaching the cradle of the Renaissance. Travel accompanied by our assistant from Rome's central train station to Florence: you'll have the chance to spend a full day on your own in this delightful city. Take your time to walk around town: Florence is one of Italy's main fashion cities, a perfect place to go boutique shopping or to find unique artisanal leather goods. If you're more of a foodie, take a break to savor artisanal *gelato* or a typical *lampredotto* sandwich while sitting on a bench and watching people passing by. Or find a restaurant to have a full-course lunch with a glass of local wine (Chianti, anyone?). Cross Ponte Vecchio and reach Santo Spirito neighborhood for a taste of local culture, or take a walk in the nearby Boboli Gardens, a public park in the nearby of Palazzo Pitti, that is also a UNESCO World Heritage site. Lastly, when *aperitivo* time comes, sip a *Negroni*, the Florence-born international cocktail, to say goodbye to this amazing city before meeting your assistant for your return train trip to Rome.

Capri island and Blue Grotto

The tiny **island of Capri** has it all: good cuisine, jaw-dropping nature, lovely weather, stunning sights and one of the bluest waters in the whole Tyrrhenian sea. Take one day off from the cityscapes and reach this island from Rome. We'll leave early in the morning: wait for us to pick you up at your centrally located hotel or save time and reach us at our designated meeting point, where you'll be welcomed by our tour leader. Enjoy the Italian landscape while sitting on our private bus traveling to Naples: this will be our first stop, where we'll boat the ferry to Capri island, with its white rocky cliffs plunging into the aquamarine water. We'll land on the island and tour around with a professional guide, visiting the famous Piazzetta and admiring the Faraglioni from afar. But most of all **we'll visit the spectacular Blue Grotto**. A marine temple during Roman times, its bottom hosted three statues of the Roman sea gods Neptune and Triton, and it was used as the personal swimming hole of Emperor Tiberius. Nowadays swimming is forbidden here, and only small rowboats guided by local experts are allowed in the tiny grotto. Once inside, the view is incredible: sunlight, passing through an underwater cavity shines through the seawater and creates a brilliant blue-to-emerald reflection that illuminates the water in the shady cavern. In the late afternoon, we'll sail back to Naples and, from there, we'll travel back to Rome leaving behind the unforgettable colorful island of Capri.

Naples like a local: food, stories & authentic Naples from Rome

Don't just visit Naples: experience it like someone who lives there every day. From grand monuments and lively alleyways to authentic flavors and small everyday rituals, this experience will reveal the many different sides of the city, from its monumental elegance to its most genuine and vibrant soul. We'll leave early in the morning: wait for us to pick you up at your centrally located hotel or reach our meeting point, where you'll be welcomed by our tour leader and board a comfortable GT coach for the drive to Naples. Upon arrival at the Port of Naples, your local guide will be waiting for you at the entrance of the pedestrian underground passage connecting the port with Piazza Municipio, ready to lead you on your discovery of the city. The experience begins with monumental Naples, walking beneath the impressive glass vault of **Galleria Umberto I**, passing the renowned **Teatro San Carlo**, and reaching **Piazza del Plebiscito**, overlooked by the majestic **Palazzo Reale**. But Naples is much more than its monuments. Leaving the elegant city-center squares behind, you will step into the lively atmosphere of **Via Toledo**, one of the most vibrant streets in Naples. Here, you will pause just as locals do to experience one of the city's most curious traditions: a refreshing **"limonata a cosce aperte"**, the typical sparkling lemon drink prepared and served directly on the street. From Via Toledo, you will enter the narrow and colorful lanes of the **Quartieri Spagnoli**, where laundry hangs across the streets, scooters weave through the alleys, and everyday Neapolitan life unfolds all around you. Your walk will take you to the famous **Diego Armando Maradona Mural**. Far more than a simple photo stop, this place is a true symbol of Neapolitan identity, football passion and popular culture, and one of the best spots to understand the deep connection between the city and its people. The route continues into the historic heart of Naples along **Spaccanapoli**, passing iconic landmarks such as **Santa Chiara** and **Gesù Nuovo**, while your guide shares stories, traditions, curiosities and small details of local life that help reveal the true character of the city. The guided experience, lasting approximately 3 hours, ends at **San Gregorio Armeno**, famous for its artisan workshops, nativity scenes and unmistakable Neapolitan atmosphere. At the end of the guided tour, you will have free time to continue experiencing Naples at your own pace until the time indicated by your tour leader for the meeting point before the return journey to Rome. This is the perfect moment to keep discovering the city like a true local: stop for an **espresso at the counter**, try a **pizza a portafoglio**, treat yourself to a **sfogliatella**, browse the small artisan shops, or simply let the alleyways, aromas and atmosphere of Naples guide you. When it is time to make your way back towards the port, you can choose to walk to **Molo Beverello**, enjoying the streets of the city center one last time. Or, to end the day just like a local, we suggest taking **Metro Line 1**. Head to **Toledo Station** and travel just one stop to **Municipio**. It is not only a quick and convenient way to get back: it is another small taste of everyday life in Naples. Toledo is one of the city's famous **Art Stations** and is considered one of the most striking metro stations in Europe, turning even your return to the port into part of the experience. At the agreed time, you will meet your tour leader again at the designated meeting point and board the coach for the return journey to Rome.

The UNESCO World Heritage Sites are places of cultural importance or natural heritage as described in the UNESCO World Heritage Convention, established in 1972 and ratified by Italy in 1978.

Forty years later, Italy has a total of 54 inscribed properties, making it the country with the most World Heritage Sites: the list includes cities, archaeological points of interest, churches, gardens, neighborhoods and buildings.

Beneath the historic centre of Naples lies an ancient network of tunnels excavated by the Greeks in the 4th century BC and later converted into aqueducts by the Romans. During World War II, these underground spaces sheltered residents from air raids.

Children policy for regular half-day and full-day tours:

For applicable reductions or conditions please check the brochure.

Pick-up time from centrally-located hotels:

Our pick-up service takes place in the centre of Rome. Depending on traffic conditions and on the number of passengers who booked that specific tour, it takes around one hour for the bus to pick up all of the passengers. For this reason, pick-up times are shown as an interval. "Starting from 7:30" means that in order to be on time for the beginning of the tour, we will pick up you from your hotel at 7:30 or later.

Dress code and clothing restrictions:

In Rome, especially in places of worship and inside the Vatican Museums, it is strictly forbidden to bring strollers, bulky bags and umbrellas.

Above-the-knee skirts and pants, low-cut clothing and sleeveless tops are never allowed in places of worship and inside the Vatican. Guests who fail to respect the attire requirements may be turned down at the entrance of the point of interest, therefore we suggest wearing or bringing appropriate clothes before the beginning of the tour.

Important notes:

If you have a metal-coated pacemaker, you have to show your pacemaker identification card at the security checks.
