### **Itinerary**

#### **Day 1**

Rome > Naples > Pompeii > Sorrento

**Carrani**  
**Tours**

See Southern Italy highlights on your minitour from Rome. Your journey begins heading south along the so-called Sun Highway, crossing the fertile Roman countryside and the area known as Castelli Romani, dotted with enchanting medieval villages and arriving in Naples, one of the largest and well-known cities in Italy. Short panoramic tour climbing up to Vomero hill to enjoy beautiful views over the Gulf of Naples with the Vesuvius, Capri, Ischia and Procida and the city below; time to take some nice pictures. Descending towards the port of Mergellina, you will leave the city and travel south towards Mount Vesuvius and, once you reach the town of Pompeii, you will have lunch with the real Neapolitan pizza! After lunch, you will enter into one of the most important archaeological sites in the world: a UNESCO World Heritage Site, the ruins of Pompeii, with Skip the Line entrance and a guided tour. Visit the haunting ruins of Pompeii, traveling back in time to the tragic days in 79 AD when the silent Mount Vesuvius suddenly erupted, covering the prosperous Roman city in deadly volcanic ashes and poisonous gases, leaving this prosperous city crystallized until our days. You'll learn how people lived at that time, visiting houses and "bars" of the time, admiring frescoes and mosaics to imagine how rich and prosperous was the city before the dreadful day. After the visit, you will drive along the Sorrentine Coast, arriving in Sorrento for dinner (dress code: jacket for men) and an overnight in your new hotel.

## **Day 2**

Sorrento > Capri > Rome

After breakfast you'll be embarked to Capri island. Depending on weather conditions, you'll take a boat ride to the popular and dreamy "Grotta Azzurra" (Blue Grotto), where sunlight passes into an underwater cavity and shines through the seawater, creating a magical blue reflection. After returning to the port you'll board on a minibus for a scenic drive to Anacapri, 918 feet (280 meters) above the sea level. You'll see wonderful views of the bay of Naples before continuing to a local restaurant for lunch. After lunch you can take advantage of some free time to explore Capri at your leisure or to go shopping. Then you'll return to Marina Grande back to the mainland to return to Rome.

After lunch, you will enter into one of the most important archaeological sites in the world: a UNESCO World Heritage Site, the ruins of Pompeii, with Skip the Line entrance and a guided tour. Through the remains and ruins of this ancient city you will learn how the eruption of Mount Vesuvius in 79 AD destroyed the city, killing its inhabitants and burying it under tons of ash. The site was lost for about 1,500 years until its initial rediscovery and the objects beneath the city have been well-preserved for centuries. So you can walk along the ancient streets for a glimpse into the lives of the Romans, discovering ancient houses, bakeries and shops and imagine the everyday life in the Roman times. Leaving Pompeii, you will drive along the Sorrentine Coast, arriving to Minori. Check-in at your hotel, dinner and overnight.

## **Day 2**

For this reason it is known as the City of Taste, and for its mild and pleasant climate is called Eden of the Amalfi Coast. Dinner and overnight.

## **Day 3**

## Itinerary

### Day 1

Lecce

Welcome to Lecce! Make your own way to your hotel and then enjoy your first day in the city at your own leisure. Overnight stay.

### Day 2

Lecce

After breakfast at your hotel, at 9:45 am reach the meeting point at Piazza Sant'Oronzo next to the bar "Caffè Alvino" to join the rest of the group. At 10:00 am starts the panoramic walking tour strolling through the streets of this beautiful city where you will admire the Apulian Baroque art, discovering churches and monuments. Elegant and refined, Lecce is one of the most appreciated cities of art in Southern Italy. Here the Baroque style predominates and takes on a local connotation, the "Leccese Baroque". This style is characterized by the fine stonework in Lecce stone and not by lavish gold decorations. The façades of churches and historic buildings seem modeled by skillful hands. Strolling through the old town you will admire showcases of craft shops: from papier-mâché masters to the local pastry-making. You will taste a delicious local specialty in one of this local bakery: the "pasticciotto", a pastry filled with custard cream. Rest of the day at your leisure. Overnight stay.

#### **Day 1** Bari

Welcome to Bari! Make your own way to your hotel and then enjoy your first day in the city at your own leisure. Overnight stay.

#### **Day 2** Bari

After breakfast at your hotel, at 9:45 am reach the meeting point in front of the entrance of Castello Svevo to join the rest of the group. At 10:00 am starts the panoramic walking tour of this city where you will admire the beauties of capital of Puglia. Bari boasts the presence of the Basilica of San Nicola, an important example of Apulian Romanesque architecture. This church is included amongst the most important places of worship in the world, where Catholic and Orthodox worships blend together. Bari “Vecchia” is also really characteristic, where time seems to have stopped: women who every day, seated outside their houses, prepare the typical orecchiette (local pasta), children playing in the street, laundry hanging in the sun and the disarming congeniality typical of inhabitants of Bari. And what about the focaccia barese? It’s hard to resist the aroma... Do not worry! You will taste it ;-). Rest of the day at your own total disposal. Overnight stay.
