## ITINERARY

**Day 1 ROME**  
Welcome to Rome! Meet our driver at the airport and transfer to your hotel. Dinner at the hotel Imperiale's restaurant. Overnight stay in Rome.

**Day 2 ROME**  
Today a must-see for every traveler who visits Rome: the Colosseum, the symbol of Rome! You can now take advantage of our exclusive prime service and enjoy this day in the most relaxing way. Wake up in the morning at your centrally located hotel and after breakfast wear a pair of comfortable shoes and wait for our driver to come and pick you up: you'll reach the archaeological area to join a super-agile small group of less than 10 people. Gain your special access to the Colosseum and, once inside, breathe the bloody past of the Amphitheater and its atmosphere led by passionate and expert guides. This huge travertine and tough structure could hold between 50,000 and 80,000 spectators, all hungry for pretty gory shows such as hunting games or gladiatorial fights. The tour includes also a guided walk in the Roman Forum, the cultural and political center of Ancient Rome, as well as a stroll around the Palatine Hill, the area where the city of Rome was legendary founded by Romulus and where the emperors used to live for centuries. At the end of the tour time at your leisure. Lunch on your own. In the afternoon reach Trastevere (vicolo della Scalaccia 8) on your own ready to join our family-friendly class of no more than 12 people at Lo Studio (vicolo della Scalaccia 8). We'll meet there for this hands-on activity. You'll learn what ingredients are needed to make the perfect pizza dough, how to knead it and how to top it properly. And you'll do it yourself, choosing your own ingredients: you'll be free to experiment with various recipes and toppings. Bake the pizza in the oven and wait for it to turn into a thin-and-crispy-but-still-fluffy delicacy. While the pizza is in the oven, enjoy your well-earned rest!

Relax and immerse yourself in the unique experience of an Italian pizza dinner. Start with a tasty bruschetta and make a toast to the good life: water, wine or a soft drink is included. Taste the pizza you prepared and find out whether you developed the skills of an authentic pizzaiolo. After this cool experience, you can fully enjoy some time to stroll around on your own. Trastevere is one of the cores of the Roman nightlife, bustling and busy with pubs, restaurants and clubs for all ages. You can have a walk before heading back to your hotel. Overnight stay in Rome.

**Day 3 ROME**  
After a rich breakfast at the hotel you will meet your driver who will take you to the meeting point with your local foodie guide. You will enjoy a lovely walking tour through local food markets, grocery stores and gelato shops in the areas of Campo De' Fiori, Trastevere, and the Jewish Ghetto. We know that walking makes one hungry, that's why we thought you'd appreciate some pit-stops! You'll enjoy a slice of freshly baked crispy "Pizza Bianca" (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut "mortadella": a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about trying a "Suppli"? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food. Pasta will be on the list too, along with some dishes from the Roman Jewish tradition: "Carciofo alla Giudia", a deep-fried artichoke that looks like a tiny sunflower, as well as "Filetto di Baccajà", a battered and deep-fried fleshy cod fillet. Save some space for dessert, because we won't skip our portion of artisan "Gelato"! At the end of this experience, meet your driver to head to Vatican area, ready to join a super-agile group of less than 10 people. Meet your professional guide and take a tour of the Vatican Museums, Sistine Chapel and St.Peter's Basilica, skipping all lines! Admire the Gallery of Tapestries, the Geographical Maps

and the beautiful Raphael's rooms before arriving at the Sistine Chapel, Michelangelo's masterpiece! After the Sistine Chapel you will be taken, through an exclusive access to St. Peter's Basilica, skipping long lines. At the end of the tour, time at your leisure to discover hidden corners of Rome. Overnight stay

**Day 4 ROME**  
Today, after breakfast, you will visit Tivoli and its Villas on a private tour. You will meet your Driver to head to Tivoli, a small town located few kilometers away from Rome, in a splendid natural environment between the Eternal city and the high hills to the east of Rome. It's a world-renowned town for hosting two UNESCO World Heritage Sites. It's here that, back in the 2nd century AD, the emperor Hadrian built his majestic villa: a luxury country residence where he used to retreat and where he lived his late years. The huge complex includes more than 30 buildings, several swimming pools, former thermal stations and covers an area that's larger than a square kilometer, which gives quite an idea of this place's aim: to show the greatness, opulence and vast power of the emperor. In the 16th century, much of the remaining marble and statues were removed from Hadrian's Villa by Cardinal Ippolito II d'Este, to decorate his own villa located nearby: Villa d'Este, another UNESCO world heritage site. Largely frescoed on the inside, the Villa is surrounded by a unique garden, displaying a complex system of pools, water jets, channels, fountains, cascades, and water games. And what makes this system of fountains such an incredible masterpiece of engineering is that it works entirely by the force of gravity, without pumps. Enjoy your day!

**Day 5 ROME**  
Breakfast at the hotel and transfer to the airport. End of our services

### ITINERARY

#### Day 1 NAPLES

Welcome to Naples! Meet our driver at the airport or station and transfer to your hotel. Overnight stay in Naples.

#### Day 2 NAPLES - POMPEII AND MT VESUVIUS

Today a must-see for every traveler who visits Italy: Pompeii and the Volcano Vesuvius! Wake up in the morning at your seafront located hotel and after breakfast, wait for our driver at about 7:40 AM to pick you up to reach the meeting point where your guide and a small van are waiting for you. You will be amazed visiting Pompeii, the most famous and evocative archaeological site in the world (UNESCO World Heritage Site) and, after this unique experience, you will take an excursion on the volcano Vesuvius, "the Big Giant", which caused the destruction of this city in 79 AD. The Roman city of Pompeii disappeared under a thick layer of volcanic ashes, blasted over the city as a consequence of a devastating volcanic eruption which killed its inhabitants making it disappear for about 1500 years, until it was rediscovered as one of the best-preserved ancient spots of the world. Frozen at the moment it was buried, this unique archaeological site provides a unique snapshot of the An-

cient Roman city life. Walking along the streets of Pompeii, you'll discover houses, bakeries, and shops and you'll catch a glimpse into the everyday lives of the Ancients. After Pompeii, drive up Mt Vesuvius and stop in a local restaurant located in a panoramic place along the slopes. Enjoy your wine tasting with local food. Whereupon, our driver will lead you to 1000 m altitude and once there you will walk to the real top of the volcano to see the crater. At the summit, you can enjoy the explanation made by a professional guide of the National Park, or just peek into the crater on your own. You will admire the summit of Mount Somma (1133 m) and to the right the cone of Vesuvius (1281 m), both separated by a valley, called Valley of the Giant. Mt Vesuvius is majestic and stunning at the same time. It is absolutely worth visiting it! At the end of the visit, we'll board our van and travel back to Naples. Overnight stay in Naples.

#### Day 3 NAPLES - AMALFI COAST

No holiday in Naples is complete without a trip to the enchanting Amalfi Coast! Home to limoncello, the delicious lemon liqueur, the Amalfi coast is a stunning location and a UNESCO World Heritage Site. After breakfast at the hotel you will meet your driver at about 7:40 AM who will

take you to the meeting point where our English-speaking driver is waiting for you. Explore the famous Amalfi Coast on this small group full-day excursion. Colorful tiny houses perched upon cliffs and amazing views of the ocean are only a small part of what will make you fall in love with this exclusive destination, one of the most charming villages of southern Italy: Positano and Amalfi. You will be taken to Positano, that, thanks to its splendid panoramic position and enchanting town center, is one of the most beautiful villages in the south of Italy. From the quaint, colorful shops that line the roads, to its numerous world famous beaches, Positano will leave you amazed. We will then move on to Amalfi: with its Mediterranean architecture, stacked houses and colorful buildings, Amalfi is definitely one of Italy's most VIP summer destinations. You'll spend a whole day with us, touring around the marvelous Amalfi coast, until finally you'll be driven back to Naples. (Transfer to the hotel included). ## OPTIONAL PRIVATE TOUR: MADDALENA'S ARCHIPELAGO

Maddalena archipelago is the place that combines a unique nature and crystal clear sea with the characters of world history.

Off the northeastern coast of Sardinia, there is an archipelago of 52 islands, large and small: Maddalena, Caprera, Santo Stefano, Spargi, Budelli, Santa Maria, Razzoli and other islets with white beaches, a stunning pristine sea clarity and transparency, and with colors that change from dark blue to emerald green. But the most unique place is a beach with the pink sand, the island of Budelli, unfortunately closed to the public.

La Maddalena, the largest island of the archipelago, located off the northern coast of Sardinia, deserves special attention. On the Island, Cala Gavetta, an old fishing village, with time became an harbour city, in the center of which are located many restaurants, bars and taverns, some already in business since the seventeenth century.

The island has been inhabited since the Neolithic period, but it was abandoned after the fall of the Western Roman Empire and became home for shepherds.

On February 23, 1793, the island has faced an attempted invasion of the 'French army, under the command of a young Corse, an officer named Napoleon Bona-

parte, which the Direttorium had entrusted the secondary action of a maneuver that was to lead to the conquest of Sardinia: the assault on the island of Maddalena, already then an important naval base. Napoleon, occupied the island of St. Stephen in front of Maddalena, he installed the battery 3 cannons and mortars that were with him, and began a bombardment. The inhabitants of La Maddalena managed to repel all French attempts to land and organized an expedition against the small French fleet, forcing the French to set sail. Napoleon categorically refused to re-embark. To convince him to flee was the action of local inhabitants that counterattacked and almost managed to catch him.

The archipelago is also known as the last home of "the hero of the two worlds" Giuseppe Garibaldi, who built at Caprera the famous 'White House'. Currently the house is a museum open to visitors.

During the excursion you can admire the most beautiful beaches compared not only to those in Sardinia, but throughout Italy; you will discover the history and culture of the island that has so impressed Giuseppe Garibaldi to choose this island as his last refuge. Thus he wrote in his diary: "If there is a heaven on earth I found my Caprera."

BARI	NICOLAUS HOTEL 4* OR SIMILAR

### ITINERARY

#### Day 1 BARI

Arrival in Bari. Check-in at the hotel. Overnight stay.

#### Day 2 BARI

After breakfast, meet your tour guide at the hotel and off you go on a tour to discover the beauties of Bari. You'll reach its historical center, known as "Bari Vecchia", and learn interesting information about Bari's past as well as the history of its main monuments. Walk down little alleys and find yourself in tiny little squares inside the walls, until you reach the Pontifical Basilica of Saint Nicholas (that contains the relics of Saint Nicholas), the Castello Svevo (or Swabian Castle, built in the XII century by Norman King Roger II and later restored by Frederick II of the Holy Roman Empire), Piazza Mercantile, Piazza Ferrarese, Piazza del Sedile and finally the Basilica di San Sabino. Leisure time in the afternoon. Overnight stay in Bari.

#### Day 3

#### BARI · TRANI · ANDRIA (MASSERIA) · CASTEL DEL MONTE · BARI

After breakfast at your hotel, we suggest a visit to Trani, a very important medieval center of the so-called Imperial Apulia. The Jewish ghetto (or Guidecca) and the splendid Romanesque cathedral by the sea are not to be missed. After your free time, we will take you to Andria for lunch and wine tasting in a typical masseria (or large farm). On our way back to Bari, we'll make a stop at the Castel del Monte, the most amazing castle built by Frederick II. It is protected as a World Heritage Site. Its geometric design is

unique: it is an octagonal prism with an octagonal tower at each corner. Many mysteries are still unresolved, including the real purpose of the castle. Return to Bari. Overnight.

#### Day 4

#### BARI · MONOPOLI · SELVA DI FASANO (MASSERIA) · POLIGNANO A MARE · BARI

After breakfast, we'll set off to two of the most prominent coastal places of Puglia: Monopoli and Polignano a Mare. We'll start from Monopoli, a fortified citadel overlooking the sea. Getting lost in the intricate little streets of Monopoli is an almost mystical experience. From its port, just like a number of other Apulian ports, the crusaders left Puglia in the Middle Ages to reach the Holy Land and free it from the Muslims. After lunch in Selva di Fasano at a typical masseria, we'll head for Polignano a Mare, hometown to Domenico Modugno, Italian singer-songwriter who co-wrote the world-known song Volare (nel blu, dipinto di blu). Polignano was built on the peak of a cliff, and therefore its coastline is characterized by coves, small bays and inlets. Return to Bari. Overnight in Bari.

#### Day 5

#### BARI · ALBEROBELLO · LOCOROTONDO (MASSERIA) · OSTUNI · BARI

After breakfast, Alberobello is on the list, the "città dei Trulli", also protected as a World Heritage Site. Trulli are dry stone huts with a conical roof originally built for storage purposes. They were also permanent dwellings and are called casedde by locals (or little houses). Alberobello is a gem, a true fairy tale place in the heart of Puglia. Near Locorotondo, you'll eat at a typical masseria, and after lunch you'll see Locorotondo, a picturesque town is one

of the "Borghi più belli d'Italia" (most beautiful hamlets of Italy). Locorotondo comes from the Latin phrase "locus-rotundus", meaning circular place, for its round shape. Next stop will be Ostuni, the "città bianca" (or white city), another true gem 74 kilometers (46 miles) south of Bari located on the summit of a hill. It was built by the Normans and has city walls with four gates (remains of them can be seen). The region is a producer of top quality olive oil and wine. We will have time to go around the historical center, eat typical delicacies, shop for food or souvenirs or simply get lost in the old medieval streets. Return to Bari, overnight there.

#### Day 6

#### BARI · MATERA · BARI

After breakfast, we'll head for Basilicata, a border region. Welcome to Matera, its capital, "la città dei sassi" (literally the city of the stones), Italy's own version of Cappadocia in the south of Italy. European Capital of Culture 2019. Matera is a UNESCO Heritage site. Take your time to admire the sassi from different perspectives and overlooks. These cave dwellings inhabited since the Paleolithic period make for the monumental historical center and are connected by a maze of quaint little alleys, which will make you feel like you are catapulted in a real-life nativity scene. We'll visit the historical center and enjoy the views from different overlooks. Lunch and free time. Return to Bari. Overnight there.

#### Day 7
