Positano, Praiano, Furore... there are so many little villages to admire as you navigate on our boat... Amalfi, the most famous village, has been a UNESCO World Heritage Site since 1997. A great option is to stop for lunch in a restaurant by the sea with private beach (lunch is not included in the rate of the tour). You will see Furore and its fjord as well as Praiano – a small fishing village that stands out for its domes. During this cruise you will stop along the coast and dive into the sea for a refreshing swim. Let yourself be enchanted by the wonders of the Amalfi Coast on board your preferred boat!

PB6 FULL DAY ISCHIA

Ischia is another gem at the northern end of the Gulf of Naples. Its volcanic nature makes it one of the largest spas in Europe, and its thermal waters and gardens have been known since ancient times. Ischia is not to be missed for its therapeutic volcanic springs, beauty spas set in lush surroundings, its magnificent clifftop castle at Ischia Porto, its silent sandy coves and its finest local cuisine. You will admire the Aragonese Castle, the beach of Maronti, the Terme di

Cavascura – an equipped natural spa –, or alternatively the Baia di Sorgeto – a natural cove that serves as thermal area en plein air: there, hot and cold water are mixed with fresh and salt water, awakening unique sensations. The skipper will be your assistant and will recommend the best places along the coast where you can take a relaxing swim and relax in the sun!

PB7 FULL DAY PROCIDA

Among the islands in the Gulf of Naples, Procida is undoubtedly the most spectacular and colorful one. A must-see place chosen from among several Italian candidate cities to be the Italian Capital of Culture 2022. This private boat tour starts from Sorrento and reaches Procida in about an hour. You will see the oldest fishing village, la Corricella, where spotting fishermen as they prepare or fix their nets is pretty common. Procida has been chosen as a set for a number of films (more than 30) including The Postman and The

Talented Mr. Ripley. It was also the site of filming for scenes of Cleopatra, starring Elizabeth Taylor and Richard Burton. Walking in the quaint narrow paths of the island, you can reach the medieval village of Terra Murata, located on the highest point. Not an easy deed, but definitely worth it: it literally sits on a cliff a step before the sea! The skipper will be your assistant and will recommend the best places along the coast where you can take a relaxing swim and relax in the sun!

PB6A FULL DAY ISCHIA

Ischia is another gem at the northern end of the Gulf of Naples. Its volcanic nature makes it one of the largest spas in Europe, and its thermal waters and gardens have been known since ancient times. Ischia is not to be missed for its therapeutic volcanic springs, beauty spas set in lush surroundings, its magnificent cliff-top castle at Ischia Porto, its silent sandy coves and its finest local cuisine. You will admire the Aragonese

Castle, the beach of Maronti, the Terme di Cavascura – an equipped natural spa –, or alternatively the Baia di Sorgeto – a natural cove that serves as thermal area en plein air: there, hot and cold water are mixed with fresh and salt water, awakening unique sensations. The skipper will be your assistant and will recommend the best places along the coast where you can take a relaxing swim and relax in the sun!

PB7A FULL DAY PROCIDA

Among the islands in the Gulf of Naples, Procida is undoubtedly the most spectacular and colorful one. A must-see place chosen from among several Italian candidate cities to be the Italian Capital of Culture 2022. This private boat tour starts from Sorrento and reaches Procida in about an hour. You will see the oldest fishing village, la Corricella, where spotting fishermen as they prepare or fix their nets is pretty common. Procida has been chosen as a set for a number of films (more than 30) including The Postman and The

Talented Mr. Ripley. It was also the site of filming for scenes of Cleopatra, starring Elizabeth Taylor and Richard Burton. Walking in the quaint narrow paths of the island, you can reach the medieval village of Terra Murata, located on the highest point. Not an easy deed, but definitely worth it: it literally sits on a cliff a step before the sea! The skipper will be your assistant and will recommend the best places along the coast where you can take a relaxing swim and relax in the sun!

By choosing this boat tour you will admire the Amalfi Coast from the sea and to be enchanted by the beautiful landscapes that it offers. From Positano to Amalfi, passing through Praiano, Furore... there are so many views that you will enjoy during this boat trip. Amalfi, heart of the coast, has been a UNESCO World Heritage Site since 1997 and was one of the four Maritime Republics of Italy. The charm of Amalfi has always attracted artists, writers, painters and even today, with its Paper Museum and its Cathedral of Sant'Andrea dating back to the 10th century, continues to fascinate people

from all over the world. During your yacht cruise on the Amalfi Coast you can take a wonderful picture where the view of Positano and all its colorful houses will be a perfect background. Stop for lunch in a restaurant by the sea with private beach (lunch not included). You will see the famous Fjord of Furore which in the past represented an important natural port, and you will pass through Praiano, a small fishing village that stands out for its majolica dome churches. During your cruise on the Amalfi Coast you will stop along the coast and dive into the sea for a refreshing swim.

Get ready to cruise along the Amalfi Coast, passing through Li Galli island, to the colorful villages of Positano and Amalfi, take a dip in the crystal-clear water or simply relax with the ice-cold beverage and some glorious sunshine! You will have free time to spend in two of the two sites. Cruise along Capri and its shores, admire the striking Faraglioni rocks and explore the White, Green and Blue Grottoes (entrance to Blue Grotto not included), unique sea caves that are illuminated in different colors by the reflection

of the sunlight hitting seawater. The sheer coastline and the natural colors of green and blue that paint the landscape make the Amalfi Coast one of the most beautiful scenery in the whole world. The skipper will be your reference and will recommend the best points along the coast where you can dive for a refreshing swim and relax in the sun! Stop for lunch by a charming local restaurant in Nerano or Capri accessible only by the sea (lunch not included).

PB1 MADDALENA ARCHIPELAGO & LA MADDALENA ISLAND

Luxuriant Mediterranean vegetation and rare essences, this is what makes the islands of the Maddalena Archipelago so special and beautiful. Moreover, you'll see gorgeous white-sand beaches, bays, islets, clear waters and wind-blown granite coastlines that are a haven for wildlife. This territory is located in the Strait of Bonifacio, between Corsica (France) and Sardinia (Italy). At your

discretion, we'll stop on La Maddalena, the largest island with a homonymous town – the largest settlement –, for a visit of its historical center. We will board our private boat again and reach Spargi, Budelli, Caprera, and Cala Coticcio for a nice swim in the middle of archipelago. The itinerary may be subject to changes according to weather conditions.

PB2 SOUTHERN CORSICA - BONIFACIO & LAVEZZI

SARDINIA

On this trip we'll navigate past the Maddalena Archipelago and its islets to reach Bonifacio, located on the Mediterranean Sea, separated from Sardinia by the Strait of Bonifacio. We'll disembark and you'll enjoy some free time to visit the old town, the upper city and the citadel, built in the 9th century. Afterwards, we'll embark again and reach numerous spots during the

day on request, including the Archipelago of Lavezzi – a collection of small granite islands and reefs – and the uninhabited Isola Piana. You'll have lunch in a Michelin Guide starred restaurant in Bonifacio, or in a delicious trattoria (the lunch is not included in the final price). The itinerary may be subject to changes according to weather conditions.

PB4 CAPRERA

We will embark in Porto Cervo and navigate towards Caprera in the Maddalena archipelago off the coast of eastern Sardinia. The island of Caprera is entirely included in the La Maddalena Archipelago National Park: a marine and land protected area of national interest. A stop in Cala Coticcio or Cala Garibaldi is a must, two beautiful inlets both protected by the Nation-

al Park managing authority. We suggest to have lunch in Porto Massimo, near La Maddalena (on Maddelena Island) where an excellent restaurant is located (lunch is not included in the final price). In the afternoon, we'll set sail to Cala dei Giardinelli, known for a beautiful little beach that feels like Caribbean-like corner of paradise. The trip ends in Porto Cervo.

We will pick you up at the hotel and reach Ognina port. There you will board Wish, an elegant and super comfortable motor boat 12 meters in length and fully equipped with stern deck table, sunbeds, sofas, and a flybridge. The crew will be delighted to assist you as you'll navigate along the rocky coastline in front of Mount Etna reaching Acitrezza and Acicastello.
