City tour of Milan without Last Supper

Enjoy a half-day tour of the impressive city of Milan. Take a look at the medieval Sforza Castle.

An impressive medieval Castle and fortress, one of the most impressive urban castles in Europe. The Sforzesco was once residence for the ruling family of Milan and now hosts several of the city's museums and art collections. Verona and the lake Garda (Sirmione)

Take a day trip from Milan to discover the beautiful town of Verona, the famous setting of Shakespeare's 'Romeo and Juliet' and the unmissable Sirmione, a stunning lakeside town on Lake Garda where ancient roman ruins meet the crystal blue shores.

Verona is a beautiful and romantic city, a prosperous medieval town in its own and also a popular tourist destination. Step back into Shakespearean times and call for your Romeo from Juliet's balcony or visit the exceptionally preserved ancient Roman Arena where during the summer concerts and operas are still performed. You will also have free time to explore the narrow medieval streets and the renaissance palace that make up Verona's historic center. The stunning lakeside towns around Lake Garda have fascinated visitors for centuries. The first people to fall in love with the area were the Romans, who made it a luxuri-

ous summer destination; and in Sirmione you can visit ruins and mosaics that mark their presence. Sirmione, which lies between the blue waters of Lake Garda and green olive trees, is undoubtedly one of the most romantic places on earth and its beauty has been praised by Roman poet Catullus since the early days. Visit the narrow medieval streets that burst with color, the moated castle, Rocca Scaligera or take a wander through the towns most striking attraction, the grand Roman Villa. Here you can admire the ruined walls and archaeological delights, including a charming carving of rabbits in the small museum.

Cinque Terre

Discover the beautiful Cinque Terre! A UNESCO World Heritage Site, Cinque Terre, meaning 'five lands' (Riomaggiore, Manarola, Corniglia, Vernazza and Monterosso) are five perilously perched villages strung along a short stretch of cliffs that face the Liguria Sea on one of Italy's most scenic stretches of coastline.

Leaving Milan, you arrive directly at the Cinque Terre and via a scenic route on the coast you reach Manarola. Here you'll have free time to venture around the vineyards, stroll the piers where fishing boats line the shore or watch the locals and the tourists jumping into the sea from the rocks of the harbour! Right before lunch time (lunch not included) you catch the train to Monterosso al mare, the biggest of the five villages, where you will have time to explore and visit the beaches dotted along the coast. Despite the number of tourists, there is still a real sense of local identity even in the most tourist-crammed little 'piazze'.

Restaurants, bars and accommodation all have an endearingly homespun air about them as though when the locals saw tourists coming, they found a few garden chairs to stick on their terrace, hand painted a sign and began serving customers. From Monterosso you will start the final leg of your journey, probably the most inspiring, a 90 minutes boat cruise. The perfect way to admire the stunning views of the Cinque Terre and the delightful village of Portovenere from the sea. After this memorable experience, you will arrive at La Spezia where your coach will be waiting to take you back to Milan.

On the borders of Piedmont, Lombardy and Switzerland, Lake Maggiore, also known as Verbano is the second largest Italian lake. Your visit will start in Stresa and here you will have free time to explore this quiet and fascinating little town, try some typical food or indulge in some shopping before taking a stunning lake cruise. On board you will enjoy the view of exquisite lakeside villas and lush gardens surrounded by crystal blue waters set amidst the beauty of snow capped alps. First,

we pass the exotic Isola Madre, home to a 20 acre park that is considered one of the most impressive in Italy before heading back in time to the simple life of Isola dei Pescatori where you will have free time to explore, shop or enjoy a light lunch. The next stop will be the luxurious Isola Bella with the elaborate gardens of the Borromean Palace surrounded by boutiques and cafés housed in grand historic buildings. Finally, you will rejoin the boat and cruise back to Stresa for your return to Milan.

NOTES:

The itinerary could be modified by act of force majeure and the boat service could be replaced by another service in case of bad weather.

TOUR AFTER APPROXIMATELY 12 HOURS ENDS AT THE MEETING POINT.

Depart Milan on a high-speed train for the town of Domodossola, the last Italian frontier before the Swiss border. Here begins your adventure on the "Green train of the Alps!" The train takes you on a journey through the Simplon pass, one of the most beautiful crossings in Switzerland. Cutting between the alps, your knowledgeable English-speaking guide will introduce you to the secrets of mountains and the valleys as they appear before of your eyes. After around 2 hours of breath-taking panoramas, we arrive in Spiez, on the shores of Lake Thun. Here we stop for a spot of lunch (not included), before departing on our cruise to Interlaken, on a state of the art steamboat. Whilst crossing the lake, take a moment to snap some pictures

of Eiger, Mönch and Jungfrau, 3 famous mountains whose recognisable shapes reflect in the light blue water of the lake. Once in the Interlaken, enjoy time to explore the picturesque architecture or take a walk around the shore where you can marvel at the hang gliders peacefully soaring over the snow capped alps in the distance. Aside from beautiful views, don't forget to try some of the world's finest Swiss chocolate at the one of the many local specialty chocolatiers that dot the town. In the late afternoon, we take the train back to Domodossola, before returning to Milan on an air-conditioned coach. A current valid passport is required on the day of travel.

NOTES:

The itinerary could be modified by act of force majeure and the boat service could be replaced by another service in case of bad weather.

On a clear day, you may even see Mattherhorn, considered on the icon of Switzerland, it is actually shared with Italy where it is called Cervino. The first stop on the way up is at Mont-Frey Pavillion. Here you can visit the "Botanic Garden Saussurea", one of the highest in Europe, that offers a rich variety of incredible, rare and beautiful alpine plants from worldwide mountain areas. You can also enjoy a typical lunch (not included) at the restaurant Bellevue, the local dishes retrace the

Aosta Valley tradition with polenta and meat but international cuisine is also available, or visit the Cave Mont Blanc and experimental High Altitude Winery. In the afternoon, you take the last leg of the skyway and reach Helbronner peak. Enjoy free time at the top to soak up the views. From its height of 3,466 m, the terraces of the Helbronner peak offer a 360° view of all the Italian, Swiss and French Alps.
