A unique experience specifically designed to give you only the best of what the Chianti region has to offer in its various declinations: the history, the landscapes, the wine and culinary traditions as well as incomparable atmospheres. Start your experience with a stop in Siena (visit not included), known among other things for the Palio horse race, and then discover a famous farm's wineries. You will taste some delicious wines, visit the farm's historic chapel and eventually enjoy an outdoor barbecue accompanied by music in a delightful atmosphere. This will give you the chance to immerse yourself in the local farmers' old tradition and live an experience of the senses, soaking up the air, the colors, the flavors and the smells of the countryside. You will be surrounded by the splendid and charming landscape made of vineyard rows, which so quaintly characterize the Chianti region. The food, made from fresh local products, are the fruit

of the hard work and care for the land that local producers have been exercising for centuries. Upon your arrival you will be given a glass for you to carry along during the visit of the winery and enjoy a number of wine tastings. The dinner location will be set to offer you coziness and pleasure, as it will be decorated with candles and torches. Not only will the gentle sounds of the earth and the vineyards accompany your dinner under the stars, but there will also be a harmonious musical background perfectly matching the succession of dishes. You will taste "pappa al pomodoro" or "ribollita" (both typical recipes from the people's folklore) and a barbecue of meat and fresh seasonal vegetables of the farm. Let yourself get carried away by the warmth and fragrances of the barbecue and the perfumes of the grapevines, which will inebriate your dinner experience. The rural yet elegant scenario of the estate will perfectly frame and complete your evening.

NOTES:

- ›A vegetarian menu is always available upon request

San Gimignano, Chianti & Montalcino with wine tour and light lunch

Enjoy a full-day tour of Tuscany's villages and wine regions from Siena and travel into the heart of the beautiful Tuscan countryside. Visit the town of San Gimignano, the wine territory of Chianti and the Montalcino fortress.

MAX
8 PAX

The first part of our day will be dedicated to the territory of Siena and starts with a visit of San Gimignano, the "hundred towers" city and UNESCO World Natural and Cultural Heritage site. Our tour escort will give you all of the necessary information for enjoying your free time in the town's historical center, where you will find local artisan shops and ancient palazzos. San Gimignano is also the birthplace of the Vernaccia, a white wine produced exclusively here, famous for its high quality and also for being the first Italian DOCG wine. From here, we will reach a Chianti

winery for a lunch of salami, cheeses and other local products, accompanied by a tasting of Chianti wines. The day continues with a trip to Val d'Orcia, another jewel embedded in the Tuscan territory and a UNESCO World Heritage site since 2004. We will travel to Montalcino, that dominates the 1500 hectares of Brunello vineyards the area is world-famous for. Our last stop will be in a local wine cellar where you will taste the renowned Brunello of Montalcino. You will visit the cellar and also taste typical local products. Return to Siena.

Working policy:

In order to avoid problems with your fit reservations, we would like to remind you our policy regarding bookings and cancellations: Complaints have to be received by mail or fax within 60 days from date of the last service provided by Carrani, so we could reply in the most accurate way. Please take note that, every time you send us an e-mail/fax requesting our services, we will always reply in writing. If you request a particular hotel that it is not available, we will confirm a similar option (to the requested one). In case of cancellation, we will send an e-mail/fax as confirmation of the cancellation. If you do not receive this confirmation it would mean that for us the booking is still operative. So if our provider charges us no show penalties, we will charge you the same penalties. We inform all clients that rates do not include the city tax in Florence, Rome, Venice. This tax will be paid directly from clients at the reception hotel desk at the arrival or at the check out according to the local city board procedure. We remind you that tax will change according to hotel category. Please kindly inform travellers before departure. All services must be paid before the participants arrival (at least 7 days before, maximum 15 days, depending on the service).
