Day 1

Rome > Naples > Pompeii > Sorrento

See Southern Italy highlights on your minitour from Rome. Your journey begins heading south along the so-called Sun Highway, crossing the fertile Roman countryside and the area known as Castelli Romani, dotted with enchanting medieval villages and arriving in Naples, one of the largest and well-known cities in Italy. Short panoramic tour climbing up to Vomero hill to enjoy beautiful views over the Gulf of Naples with the Vesuvius, Capri, Ischia and Procida and the city below; time to take some nice pictures. Descending towards the port of Mergellina, you will leave the city and travel south towards Mount Vesuvius and, once you reach the town of Pompeii, you will have lunch

with the real Neapolitan pizza! After lunch, you will enter into one of the most important archaeological sites in the world: a UNESCO World Heritage Site, the ruins of Pompeii, with Skip the Line entrance and a guided tour.

Visit the haunting ruins of Pompeii, traveling back in time to the tragic days in 79 AD when the silent Mount Vesuvius suddenly erupted, covering the prosperous Roman city in deadly volcanic ashes and poisonous gases, leaving this prosperous city crystallized until our days. You'll learn how people lived at that time, visiting houses and "bars" of the time, admiring frescoes and mosaics to imagine how rich and prosperous was the city before the dreadful day. After the visit, you will drive along the Sorrentine Coast, arriving in Sorrento for dinner (dress code: jacket for men) and an overnight in your new hotel.

Day 2

Breakfast at the hotel. After breakfast, free time at your disposal for shopping or activities. If you want, you may opt for a visit to the island of Capri or take an Amalfi Coast excursion (not included). Departure back to Rome in the afternoon.

An Oasis of Nature and Scents

The Cinque Terre one of the most unspoilt areas of the Mediterranean and one of the most extended areas in Liguria. They are a kingdom of nature and wild scents maintained as in the past.

To visit Cinque Terre means to visit five villages suspended between sea and earth, clinging on to cliffs and surrounded by green hill; it means to know the history of whom, for centuries, has fought against difficult land but it also means to taste the result of this millenarian struggle and in particular wine and produce. Visit these villages means to learn the culture of the drystone walls and of the vineyard, of the fishermen and of their nets, of the steep valleys and of their path. Who visit Cinque Terre can choose between a dive in the sea or hike on the hills, between a walk in the narrow alleys called

The Medical Consultations of the Congregation for the Causes of Saints examined the case, and with a unanimous vote judged it "scientifically inexplicable". Finally, the Pope officially recognized the miracle with the decree of December 21, 1998
