Date	<b>P.1: SATURDAY 03 FEB</b> <b>P.2: FRIDAY 09 FEB</b>
Hours	8:30 PM - 1:00 AM
Address	San Marco 1332, Calle Vallaresso
DRESS CODE	Venice Carnival Costume

The extravagance of the carnival in just one party because carnival in Venice means immersing yourself in another era, watching unexpected shows and becoming skilled dancers for a night. This year we will pay homage to Casanova who "returns" to his favorite place, the Ridotto Hall, the beating heart of the sumptuous Venetian carnivals of the eighteenth century, a very popular spot among nobles, players and adventurers of the time. We will tell some of the less known and most daring episodes of his life described in his Memoir. The guests will be welcomed by a sumptuous aperitif, followed by the four-course seated dinner, paired with regional wines. The main courses are based on fish, but in case of preference for a vegetarian or meat menu the attendees can inform us at the time of booking. It will not be possible to change the type of menu during the event and any food allergy must be reported to the booking office. The whole event will be accompanied by the live music of the orchestra who will be strictly in period costumes and will set the rhythm of the party with singing interludes, ballets and evocative fantasies. The peak of the evening fun will be reached with the period dances which will turn the guests into the main characters of the Carnival Extravaganza. Under the expert guidance of the Dance Masters, each participant will be able to learn the basic steps of the dances of the European courts of the 1700s and 1800s.  
*Venue max capacity: 100 people.*

This special edition of the Tiepolo Ball celebrates its 25th anniversary in a magical place in Venice: the Apollonian Halls of La Fenice Theatre, historically the halls dedicated to dance and entertainment in Venice and dedicated precisely to the God of the Sun Apollo, with clear reference to Louis XIV, the Sun King patron saint of ballet that here, in a carnival version, the guests can meet in his famous interpretation of the Sun, which he represented at fourteen years old in the Ballet de la Nuit and to which he owes his imperishable nickname. Guests will be welcomed by a rich aperitif in the foyer of the theatre followed by a rich dinner in the Apollonian Halls. During the evening the CLASSICAL ORCHESTRA will create a lovely atmosphere together with the opera singers, dancers and the various performers who will move between the tables wearing sumptuous costumes created by the Atelier Tiepolo. After dinner the GRAND BALL will begin in the foyer of the theatre. There, the Dance Master with his partner will involve guests in historical dances of the European courts, and the orchestra will accompany them. Date	SATURDAY 03 & FRIDAY 09 FEB
Hours	8:30 PM - 1:00 AM
Address	San Marco 1332, Calle Vallaresso
DRESS CODE	Venice Carnival Costume

The extravagance of the carnival in just one party because carnival in Venice means immersing yourself in another era, watching unexpected shows and becoming skilled dancers for a night.

This year we will pay homage to Casanova who "returns" to his favorite place, the Ridotto Hall, the beating heart of the sumptuous Venetian carnivals of the eighteenth century, a very popular spot among nobles, players and adventurers of the time. We will tell some of the less known and most daring episodes of his life described in his Memoir.

The guests will be welcomed by a sumptuous aperitif, followed by the four-course seated dinner, paired with regional wines. The main courses are based on fish, but in case of preference for a vegetarian or meat menu the attendees can inform us at the time of booking. It will not be possible to change the type of menu during the event and any food allergy must be reported to the booking office.

The whole event will be accompanied by the live music of the orchestra who will be strictly in period costumes and will set the rhythm of the party with singing interludes, ballets and evocative fantasies. The peak of the evening fun will be reached with the period dances which will turn the guests into the main characters of the Carnival Extravaganza. Under the expert guidance of the Dance Masters, each participant will be able to learn the basic steps of the dances of the European courts of the 1700s and 1800s.

Venue max capacity: 100 people.

This special edition of the Tiepolo Ball celebrates its 25th anniversary in a magical place in Venice: the Apollonian Halls of La Fenice Theatre, historically the halls dedicated to dance and entertainment in Venice and dedicated precisely to the God of the Sun Apollo, with clear reference to Louis XIV, the Sun King patron saint of ballet that here, in a carnival version, the guests can meet in his famous interpretation of the Sun, which he represented at fourteen years old in the Ballet de la Nuit and to which he owes his imperishable nickname. Guests will be welcomed by a rich aperitif in the foyer of the theatre followed by a rich dinner in the Apollonian Halls. During the evening the CLASSICAL ORCHESTRA will create a lovely atmosphere together with the opera singers, dancers and the various performers who will move between the tables wearing sumptuous costumes created by the Atelier Tiepolo.
