couldn't be complete without St. Peter's Square the open space which lies before the basilica, redesigned by Gian Lorenzo Bernini and being itself an architectural masterpiece of the Baroque age. You'll admire St. Peter's Basilica(outside) that isn't only the largest church in the world, but that contains several pieces of fine art: think the canopy designed by Gian Lorenzo Bernini or the Pietà by Michelangelo. Lunch on your own and after lunch meet our guide at 02:15 PM t parco Colle Oppio, via delle Terme di Tito, corner of via Nicola Salvi (inside the park), for the most complete tour of the Colosseum, Roman Forum and Palatine Hill. DAY 1
Rome

Welcome to Rome! Independent arrival in hotel. Overnight stay in Rome.

DAY 2
Rome

After a rich breakfast at the hotel you will meet your driver who will take you to the meeting point with your local foodie guide. You will enjoy a lovely walking tour through local food markets, grocery stores and gelato shops in the areas of Campo De' Fiori, Trastevere, and the Jewish Ghetto.We know that walking makes one hungry, that's why we thought you'd appreciate some pit-stops! You'll enjoy a slice of freshly baked crispy "Pizza Bianca" (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut "mortadella": a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about trying a "suppli"? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food. Pasta will be on the list too, along with some dishes from the Roman Jewish tradition: the carciofo alla giudia a Jewish style deep-fried artichoke that resembles a tiny sunflower or the fried zucchini flower (according to seasonality). Save some space for dessert, because we won't skip our portion of artisan "gelato"! At the end of this experience, meet your driver to head to Vatican area, ready to join your group. Meet your professional guide and take a tour of the Vatican Museums, Sistine Chapel and St.Peter's Square. Admire the Gallery of Tapestries, the Geographical Maps and the beautiful Raphael's rooms before arriving at the Sistine Chapel, Michelangelo's masterpiece! The tour couldn't be complete without

Discover the remarkably preserved ruins of this ancient Roman city, frozen in time by the eruption of Mount Vesuvius in 79 AD. Skip-the-line access, personal earphones, and a radio receiver ensure you won’t miss a single fascinating detail as your guide brings history to life. At the end of the tour, you will return to Sorrento. The rest of the day will be at your disposal. Overnight in Sorrento.

DAY 3
Sorrento · Capri
After breakfast you’ll be embarked to Capri Island. Depending on weather conditions, you’ll take a boat ride to the popular and dreamy “Grotta Azzurra” (Blue Grotto), where sunlight passes into an underwater cavity and shines through the seawater, creating a magical blue reflection. You’ll see wonderful views of the bay of Naples, free time for lunch (lunch not included). After lunch you can take advantage of some free time to explore Capri at your leisure or to go shopping and, in the afternoon, you will check in at your new hotel for a well-deserved rest.

DAY 4
Capri Island
Set out early to discover the beauty of Capri at your own pace. Explore the many shops and restaurants of this wonderful island or take a swim in the gulf of Naples. If the excursion to the Blue Grotto was not possible on day 3 due to sea conditions, you may choose to take the rowboat excursion today. Return to your hotel for your last evening in Capri.

DAY 5
Capri · Rome
After breakfast at your hotel, do some last-minute sight-seeing or shopping in Capri. Between 4:00/4:30 in the afternoon board on the ferry to Naples and then you will head to Rome, where the tour will come to an end (estimated arrival in Rome is 9:00 PM).

AN OASIS OF NATURE AND SCENTS

The Cinque Terre one of the most unspoilt areas of the Mediterranean and one of the most extended areas in Liguria. They are a kingdom of nature and wild scents maintained as in the past.

To visit Cinque Terre means to visit five villages suspended between sea and earth, clinging on to cliffs and surrounded by green hill; it means to know the history of whom, for centuries, has fought against difficult land but it also means to taste the result of this millenarian struggle and in particular wine and produce. Visit these villages means to learn the culture of the drystone walls and of the vineyard, of the fishermen and of their nets, of the steep valleys and of their path. Who visit Cinque Terre can choose between a dive in the sea or hike on the hills, between a walk in the narrow alleys called "carruggi" or a ride by boat, a pilgrimage to a sanctuary or a seafood lunch. It is a landscape unique in the world in which man and nature live together in harmony since the beginning of time.

DAY 2
Florence
After breakfast at your hotel, reach the meeting point at 08:15 am At the corner between Via Ricasoli and Piazza San Marco, in front of the loggiato of Accademia delle Belle Arti (on your own) to join the group before departing (at 8.30 am). Start your Tour from the very

heart of Florence, with the Guided Visit of Accademia Gallery, with a total immersion in the art of Michelangelo to know his most renowned works, the "David", and other important masterpieces such as "I Prigioni", "San Matteo" and the "Palestrina Pietà". The young Michelangelo carved the David from a huge block of rough marble in three years, creating an imposing sculpture of absolute beauty, an icon of the renaissance model. Then you will proceed with awaking Tour which will include the outdoor guided visit of San Lorenzo Church and the Duomo complex: San Giovanni Baptistery with its bronze doors as the famous Porta del Paradiso and the Cathedral with the magnificent Cupola del Brunelleschi and Giotto's bell tower. The walk continues along lively Via Calzaiuoli in the heart of the city, where you can admire the imposing and singular Orsanmichele Church, a masterpiece of Florentine Gothic art, decorated with shrines with statues of the patron saints of the powerful medieval trade guilds. Then you reach the bustling Mercato della Paglia (Straw Market): don't forget to rub the nose of the famous "porcellino" (pig) and toss a coin

into the fountain to bring you good luck! Going on, you can admire the romantic, picturesque Ponte Vecchio, the oldest bridge in Florence, with its renowned jewellery shops. Your lovely blast from the past will end in Piazza Signoria, one of the most beautiful squares in the world and the political center of the city. In this true "outdoor museum", you'll be amazed as you admire the beautiful Fountain of Neptune with the marvelous and imposing marble statue by Ammannati and then, looking around, the sculptural masterpieces of the Loggia dei Lanzi, including the Cellini's Perseus and the Gianbologna's Rape of the Sabines. Dominating all this is the majestic Palazzo Vecchio with its crenelated Arnolfo tower, one of the most famous symbols of Florence that you will be able to admire in all its magnificence. End this amazing tour with a delicious Tuscan lunch in a restaurant located in the old town. Overnight.

The guide will tell you everything about the Raphael Rooms and their exceptional frescoes, including The School Of Athens, and will bring you to the Sistine Chapel, whose ceiling is one of the cornerstone works of High Renaissance art. The tour couldn't be complete without St. Peter's Square the open space which lies before the basilica, redesigned by Gian Lorenzo Bernini and being itself an architectural masterpiece of the Baroque age. You'll admire St. Peter's Basilica(outside) that isn't only the largest church in the world, but that contains several pieces of fine art: think the canopy designed by Gian Lorenzo Bernini or the Pietà by Michelangelo. Board on a train from Rome Termini to Foggia, where you will meet your private car and driver, who will take you to your hotel in San Giovanni Rotondo, home of the Shrine of Padre Pio (opportunity to stop at Monte Sant'Angelo with a supplement). Settle in to your hotel to rest up for the day ahead.

DAY 2

San Giovanni Rotondo

After breakfast at your hotel, spend the day exploring this fascinating city on your own. From July 28, 1916

until his death on September 23, 1968, Padre Pio, famous for his stigmata, called San Giovanni Rotondo home. The miracle of his stigmata was recognized by the Pope after the approval of the three commissions canonically required. The Medical Consultations of the Congregation for the Causes of Saints examined the case, and with a unanimous vote judged it "scientifically inexplicable". Finally, the Pope officially recognized the miracle with the decree of December 21, 1998 and fixed the date for the Beatification for Sundays, May 2, 1999. Millions of people exulted with joy and participated in the ceremony at Saint Peter's Square. On June

16, 2002, Padre Pio was declared a Saint. His body was exhumed in March of 2009 and placed on display at the Santa Maria delle Grazie shrine, where it stayed until September 2009. After this intense day, return to your hotel for some well-earned relaxation.

DAY 3

San Giovanni Rotondo · Rome

Enjoy breakfast at your hotel before your private car takes you back to the Foggia train station, where you will depart to Rome for the conclusion of your tour.
