THE BEST PART OF TRAVELLING

Tours and Activities: the tourism industry has been calling them *ancillaries* since forever but, we believe, they truly are the best part of travelling.

And the latest trends and stats prove us right.

T&A is currently the third-largest travel segment, ranking right after flights and hotels and accounting for 10% of global travel revenue: according to the latest surveys, more than 95% of all travellers booked an organized tour, visited a museum or reached one specific attraction.

Among these travellers, a good 50% purchases T&A once they reach the chosen destination: letting them know the advantages of booking in advance (e.g. a decreased risk of scams, proper information, reliable customer support and so on) can at the same time improve travel quality while extending the traveller’s length of stay.

Offering activities can result in a win-win situation and represents a good chance for up- and cross-selling, both for travel agencies and tour operators.

In the following pages, you’ll find the largest T&A offer available in Rome: prime tours, low-budget services, visits to all the main touristic attractions at different prices and times of the day, experiences created for those who already know the city, guided or independent day-trips to Italy’s best destinations for arts and culture.

Because Tours and Activities are, to us, anything but ancillaries.

Making memories is a big part of travelling, that’s why we do all our best to provide unforgettable tours and impeccable guest experience.

Focusing on life-long training, organizing professional refreshers for our employees as well as targeted workshops for our guides and tour leaders, employing specifically trained staff that takes care of our clients’ satisfaction before, during and after the experience: these are only some of the actions we are taking in order to stay up-to-date with the industry’s changes: results such as being awarded the Certificate of Excellence from TripAdvisor, both as Carrani Tours and as Gray Line Rome, show us that we’re on the right path.

Archaeological wonders of Rome

A walk through history

DO YOU KNOW...

The Colosseum opened to the public in 80 CE with 100 days of games

The games in the Colosseum were free for the Roman citizens to enjoy. Free food was sometimes also offered

The Colosseum's actual name is Amphitheatrum Flavium

2CP AM | 2C AM

Colosseum, Roman Forum and Palatine Hill

The Ancient Romans didn't like to stay in bed in the morning. Actually, they were suspicious of those who opted for a lie-in and typically woke up at sunrise or earlier, then headed to the Forum and got to do business. If you're an early bird like them, come and join us on this tour of Rome's archaeological area: accompanied by a professional guide who'll provide you with a pocket audio receiver and earphones, so you don't miss a single detail of our local expert guide! The **Flavian Amphitheater** stood the test of time and stayed pretty much intact: you'll get to know more about the way Romans used to enjoy their leisure hours while walking inside the original places where they used to watch gladiatorial or animal fights. You'll reach the **Palatine Hill**, the place where Rome was founded more than 2.772 years ago by the legendary twin brothers Romulus and Remus and you'll stroll around the **Roman Forum**, the pulsating heart of ancient Roman life: let your guide tell you everything about those days and take you on a travel through time. Finding us is easy: come at our designated meeting point or, if you prefer a smoother start to your day, go for our pick-up option and wait for us at your centrally located hotel.

If contemporary and modern art is your thing, head to the Modern Religious Art collection, housing paintings and sculptures from Carlo Carrà, Giorgio de Chirico, Vincent van Gogh, Paul Gauguin, Marc Chagall, Paul Klee, Salvador Dali, or Pablo Picasso. And swing by the Raphael Rooms and by the Sistine Chapel, two of the most popular attractions inside the Museums.

OVERLOOKING ROME

Designed by Michelangelo in 1547, St. Peter's dome was finished by Giacomo della Porta and Domenico Fontana in 1590.

It's the highest dome in the world, measuring 136.57 metres (448.1 ft) from the floor to the top of the external cross.

St. Peters' is also the highest building in Rome's city center: following to an established tradition, no one ever built anything higher in town, maybe to preserve Rome's well known and beloved skyline.

Luxury dinner with superior wine pairings in the Pantheon area

Spoil yourself after a long, busy day spent around Rome sightseeing: have dinner in a group of fewer than 10 people in a stunning, **exclusive location in the Pantheon area**. Our trusted local gourmand will be your guide for this indulgent evening: find them at our meeting point in Piazza Della Minerva and reach the **elegant, family-run restaurant** that we reserved for you, where the owners will greet you with a smile and their **typical Italian style**. This surprising place doesn't only offer **delicious food in a stunning location**: it also owns a prestigious historical wine cellar, built during ancient times and discovered during the renovation works of the palazzo. It was only on this occasion that a majestic Roman structure was identified at the cellar floor: entirely made of squared blocks and incorporated in the sixteenth-century building that lays right above. Our aperitivo will be here, on the cellar floor (except if under maintainance or restoration works): a glass of sparkling prosecco wine, paired with a platter of traditional cured meats and cheeses from different Italian regions, just to whet your appetite. Afterward, you'll move on to the actual dinner: a traditional dish of *paccheri* pasta with cacio e pepe sauce, followed by beef or fish course and a side of cheese and vegetables. Every dish will be, obviously, paired with a glass of **superior wine carefully selected** by the restaurant's sommelier, and the dinner will end with a selection of desserts: an **immersive experience in Italian food history and culture that you won't forget**.

Masterpieces unveiled: a journey through the Borghese Gallery

When in Rome, one cannot miss out on the Borghese Gallery, a museum that houses a very important art collection including works by Bernini, Caravaggio, Canova and Raphael. A professional local guide will illustrate the Gallery and its elegant, sophisticated and even regal interior and exterior spaces. The underlying sculptures and paintings in the building come from the private collection of cardinal Scipione Borghese (1579 - 1633), an art collector and patron, son of Ortensia Borghese, pope Paul V's sister. The cardinal's attention was directed to all Renaissance and contemporary art expressions, but wasn't really into medieval art. Thus, his ambitions favored sculptures and marble groups whose high standards rivalled those of ancient art. Pauline Bonaparte as Venus Victrix, sculpted by Canova between 1805 and 1808, has been here since 1838. In 1807 Camillo Borghese gave Napoleon 154 statues, 160 busts, 170 bas reliefs, 30 columns and a number of other objects that now make for a Borghese-derived Louvre catalog. Bernini's artworks (Apollo and Daphne, The rape of Proserpina, David, to name just a few) have a prominent position in the gallery's spaces on the first floor, too - so much so that one cannot but remain literally entranced by them. The collection of paintings is also very compelling: Pictures by Caravaggio, Titian, Correggio and Raphael are displayed on the second floor among many others. Tickets to the Gallery must be booked well in advance, but we take care of it! By booking this tour, access is secured and you won't have to pay anything at check-in. The tour also includes hotel pick-up. From any centrally located hotel, we'll reach the museum together with no stress by private minivan. A version without pick-up is an option (the tour will start at a meeting point). When the tour is over, we suggest lingering outside in Villa Borghese, the huge public garden where the Gallery is located. Everyone finds a walk along the villa's tree-flanked promenades very relaxing. The Pincio terrace is a twenty-minute walk, this being one of Rome's hills. From here one can enjoy wonderful views not only over Piazza del Popolo right below and the Prati district, but also St Peter's Dome, the Gianicolo, the Quirinale, Piazza Venezia as well as the Capitol hill. Known for its cobblestone streets, vibrant charm, and authentic Roman vibe, Trastevere sets the perfect stage for this culinary journey. Meet your expert foodie guide and prepare to embark on an unforgettable breakfast adventure. Kick off your experience with a quintessential Roman breakfast: a steaming cappuccino paired with a flaky cornetto, or perhaps a robust espresso or comforting caffelatte. This first stop takes place in a venue rich with history—formerly the stage of a historic theater—where you'll savor the timeless joy of morning rituals cherished by locals. As your tour unfolds, stroll through Trastevere's winding streets, brimming with character. Adorned with lush greenery and vibrant street art, these alleys are filled with stories waiting to be told. Your guide will reveal hidden gems and share fascinating insights about the district's unique culture and history. Next, step into a beloved family-run bakery, one of the oldest in the area. Here, you'll sample the delightful ciavatone, a puff pastry filled with custard, ricotta, or jam. Crafted with generations of tradition, this artisanal treat is a true testament to Rome's love for sweet indulgence. The adventure continues at an iconic Roman bar, a bustling spot where locals gather to play cards and enjoy their morning routines. Sink your teeth into a soft, cloud-like maritozzo filled with whipped cream, perfectly complemented by a refreshing granita di caffè (coffee slush). This sweet pairing is a quintessential Roman favorite, offering a perfect blend of flavor and texture. But the tour doesn't stop at sweet delights. Discover the savory side of the maritozzo, a lesser-known yet equally delicious variation. At the final stop, savor maritozzi filled with rich and flavorful pollo alla cacciatora (hunter-style chicken) or the exquisite combination of burrata and anchovies. Paired with a glass of wine, this last indulgence ties your morning together with a touch of Roman elegance. This unique tour is more than just a feast for the palate—it's an exploration of Rome's culinary traditions and cultural heart-beat. As you walk, taste, and discover, your guide will share valuable tips for continuing your culinary journey in the Eternal City.

Sunset cooking class
in the Jewish Ghetto!

Take your authentic Roman-style pasta cooking class in the Jewish district of Rome as seen in the Stanley Tucci's show. Take a break from visiting the city by meeting local people and learning how to make a typical Roman dinner menu from scratch. The area offers breathtaking views of the stratification of Rome over centuries and a number of shops as well as very good restaurants selling Jewish-Roman food. Enjoy the easygoing lifestyle the Ghetto is so famous for! Access the restaurant where the class takes place and meet your Chef who will be ready to share his recipes with you and reveal his tricks. This is a hands-on class, but being a simple spectator is also an option: you can relax, watch the chef at work, while you sip a glass of wine. You will learn how to make homemade pasta from scratch, cleaning and preparing seasonal vegetables to fry, and taste desserts that Roman grandmothers used to cook for their kids. Seasonal food is a must in Rome. In a winter class, you'll have the opportunity to learn how to peel artichokes and cook them in the Jewish style, one of the highlights of Roman cuisine (carciofi alla giudia). In a typical summer class, you'll learn how to prepare zucchini flowers or other amazingly fresh vegetables that are in season during warmer months to make the original "fritto romano". For dessert, taste the amazing torta di ricotta e visciola, a famous ricotta cheesecake made with simple and delicious ingredients (visciola is a sour cherry). Book your pasta cooking class if you are looking for an authentic and entertaining experience in the Jewish district! Do not expect an academic class, though, just some time together with local people having fun as you prepare your own dishes!

Important note: the restaurant & the cooking class are not kosher.

Candlelight Dinner in the Ancient Agrippa’s Baths

Have you ever imagined dining in ancient Rome? For those passionate about Roman history, fine cuisine, and exquisite wine, this evening promises to be unforgettable. It offers a rare chance to explore the final accessible rooms of the ancient Baths of Agrippa, Rome’s oldest public baths, constructed by Augustus’s son-in-law between 25 and 19 BC as part of a grand redevelopment of the Campo Marzio area. Experience dining in a truly unique setting, accompanied by a friendly and knowledgeable sommelier and food expert who will guide you through a journey of flavors and exceptional wines. Begin the evening by meeting your guide and fellow participants in Piazza della Minerva, renowned for Bernini’s famous “Elefantino” sculpture. Enjoy a brief stroll around the Ciambella arch as a prelude to your visit to the historic location where dinner will be served. This extraordinary dinner will take place in the last remaining room of the thermal complex, now situated underground in the spacious cellar of a restaurant. The tasting menu includes four courses: an appetizer featuring cured meats and cheeses, seasonal fried specialties, Tonnarello pasta with fried artichokes, a meat dish with vegetables, and a selection of desserts, each course expertly paired with fine Italian wines. Throughout the meal, your guide will provide insights and historical context about the recipes, enhancing your culinary experience.

Indulge in a truly unique experience with a wine tasting event in one of Rome’s most enigmatic locations. Join us as we unveil this hidden treasure, where you’ll savor three exquisite local wines paired with delectable dishes, all set within an unforgettable dining atmosphere. This journey begins **in the Pigneto district**, a vibrant neighborhood celebrated for its nightlife and its role as the backdrop for several of Pier Paolo Pasolini’s iconic films. Known for its charming, old-world ambiance, Pigneto conceals a fascinating history that stretches back centuries. From an ancient Roman quarry to an 18th-century cellar and a World War II air-raid shelter, the area is rich with stories waiting to be discovered. Unearth the secrets of Pigneto as we guide you to an underground quarry—a remarkable site that remained hidden until the 2000s when its secret entrance was uncovered by the current owner. During the event, you’ll taste a selection of three wines—a sparkling wine, a white, and a red—each expertly paired with generous servings of local delicacies. This experience not only offers a culinary delight but also a glimpse into four distinct historical periods that have shaped the life of Rome. Rome food tour

Foodies of the world, unite! Whether you're a seasoned gourmand or just a food lover wishing to find out more about Roman cuisine and Italian food traditions, reach our meeting point. You'll join our local food connoisseur guide for a food walk, in a group of no more than 12 people (and yes, you'll try and taste lots of different treats!). We'll meet mid-morning and enjoy a lovely walking tour through local food markets, grocery stores and gelato shops in the areas of Campo De' Fiori, Trastevere, and the Jewish Ghetto. We know that exercise makes one hungry, that's why we thought you'd appreciate some pit-stops. For instance, you'll enjoy a slice of freshly baked crispy pizza bianca (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut mortadella: a traditional, more-Roman-than-the-Colosseum easy snack that locals love. And what about trying a supplì? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food. Pasta will be on the list too, along with some dishes from the Roman Jewish tradition: the carciofo alla giudia a Jewish style deep-fried artichoke that resembles a tiny sunflower or the fried zucchini flower (according to seasonality). And save some space for dessert, because we won't skip our portion of artisan gelato!

A COUNTRY
WITHIN A CITY

Rome is also referred to as *the capital of two states*.

The reason is that the Vatican City, the world's smallest independent country is located inside Rome's city limits: a unique situation that makes it a country within a city.

Tivoli and its villas

A few kilometers away from Rome, there's a world-renowned town, hosting two UNESCO world heritage sites: **Tivoli**. It's here that, back in the 2nd century AD, the emperor Hadrian built his majestic villa: a luxury country residence where he used to retreat and where he lived his late years. The huge complex includes more than 30 buildings, several swimming pools, former thermal stations and covers an area that's larger than a square kilometer, which gives quite an idea of this place's aim: to show the greatness, opulence and vast power of the emperor. In the 16th century, much of the remaining marble and statues were removed from **Hadrian's Villa** by Cardinal Ippolito II d'Este, to decorate his own villa located nearby: **Villa d'Este**, another UNESCO world heritage site. Largely frescoed on the inside, the Villa is surrounded by a unique garden, displaying a complex system of pools, water jets, channels, fountains, cascades, and water games. And what makes this system of fountains such an incredible masterpiece of engineering is that it works entirely by the force of gravity, without pumps. Leaving Rome in the morning, you'll have half a day to enjoy these architectural beauties accompanied by a professional guide, who'll provide you with an audio receiver and earphones: you won't miss a single detail! And you don't even need to wrap your head around how to reach Tivoli: you can either opt for our pick-up service from your centrally located hotel or save some dimes and reach us at our meeting point. We'll take care of both transportation and entrance tickets, all you have to do is relax and enjoy the trip.

Cooking class in the Roman countryside

Nothing speaks more authentic Italian than visiting an ancient village off the beaten tourist track, especially if you add cooking and eating to the picture. We chose **Mazzano Romano**, a special location 35 km north of Rome: this Medieval town is right inside the protected area of the Veio Regional Park. Reach our meeting point: in a group of 2 up to 8 people, you'll travel to Mazzano Romano by car. Wear comfortable clothes and avoid your best shoes, because you'll join our trusted chef to either go grocery **shopping at a farmer's market or, according to season, you'll reach a lavish farm!** Here you'll pick by hand all of the ingredients required for your lunch: seasonal veggies, fragrant herbs, and freshly laid eggs. Once in the kitchen, **you'll learn how to prepare every item on the menu: antipasti, several kinds of hand-made fresh pasta, a second course and a lovely dessert.** This step-by-step class that employs easy techniques is suitable for aspiring cooks of all ages and will let you become a pasta pro, able to replicate the whole menu once you're back home. You'll lunch to your own preparations, perfectly paired with some good wine and maybe you'll find out that you have a real talent for Italian cuisine! Enjoy the countryside and relax: in the afternoon we'll take you back to Rome.

Assisi, the heart of Umbria: full-day guided tour from Rome with St. Francis' Basilica

Venice by high-speed train

Let us take you to Venice and back from Rome in just one day! No destination is too far away from Rome by high-speed trains. A tour leader will be with you to make sure you make it to Venice safely, show you around so you won't feel disoriented and give you tips that would do the trick. You will meet your leader at Roma Termini railways station for check-in. Follow him or her to the platform and get on the train with no stress. You will reach Venice in a bit more than 3 hours. From Venezia Santa Lucia railway station, you will reach a vaporetto stop (dock) located a stone's throw away. Enjoy the ride on the Venetian typical public transport waterbus, a fantastic way to start taking a glimpse at amazing views, architecture, historical buildings and churches façades, docks, gondolas, common residents running their errands and tourists doing their thing... The one-run ticket pass to the city center is included, and handed out by the tour leader. St. Mark's Square is the heart of the historical center. After getting off the vaporetto and a two-minute walk, simply take a left turn and take in the magnificence of the Western façade of St. Mark's Basilica. What makes Venice special is also the 118 small islands it is built on as well as the 400ish bridges that span the famous canals: from St. Mark, don't be afraid to get lost in the maze of alleys (or calli) to see them. Spend some time shopping, sipping an espresso in one of the quaint historical coffee shops, or even sitting at the outside table of a modern bar. Maybe make a stop (highly recommended) on the Bridge of Sighs (or Ponte dei sospiri), one of the most beautiful Insta spots for amazing shots. On your way back to the railway station, meet your tour leader because he or she has something for you... We thought we'd invite you for an aperitivo, or cicchetto, as Venetians call it. It is a mix of small savory snacks and side dishes typically served in a bar or informal restaurant and washed down with a spritz veneziano. Is there a better way to relax and rest your feet after an intense but memorable excursion in one of the most astounding cities in the world?

Florence is Italy's pride and joy, Tuscany's capital city and the cradle of the Renaissance! And now you can reach it in less than two hours from Rome with us! It has an important role in the civilization of the Western world and Italy. It is visited because of its beauty, and known for the amazing art and architecture. It was a home to many artists, architecture masters and painters along its history - you will be fascinated by its monuments, churches, and buildings. We will pick up from your hotel and take you to Roma Termini railway station or reach us at our meeting point (option tour code 19M). There, one of our travel assistants will check you in and board the train with you so won't be alone during the journey. Local tips as well as pieces of information will be disclosed to get you in the mood for this special day-trip. Once in Florence, he/she will accompany you to the meeting point of the guided tour, that is the starting point of an interesting walking tour in the heart of Florence which precedes the visit to the **Uffizi Gallery**. A local guide will meet you in Piazza del Duomo (Cathedral Square) and illustrate its most salient points: the Cattedrale di Santa Maria del Fiore with the Cupola del Brunelleschi, the Giotto's Campanile and the Florence Baptistery. You will then see **Piazza della Repubblica** (originally the site of the city's forum, then of its ghetto, which was cleared up during some important improvement works of the square),

Orsanmichele exterior (a building constructed on the site of the kitchen garden of the no longer existing monastery of San Michele), the astounding **Ponte Vecchio** (a medieval stone arch bridge over the Arno River) and **Piazza Signoria** (the focal point of the origin and history of the Florentine Republic; this is where one can admire the 'David' sculpture by Michelangelo, actually a perfect copy of the original one housed in the Galleria dell'Accademia di Firenze for protection). After the walking tour you will access the famous Galleria degli Uffizi with no line to see its highlights up close. It is one of the most famous museums in the world. Among its countless works, you will have the chance to admire the masterpieces of Botticelli, Leonardo, Michelangelo, Raphael, Titian and Caravaggio. Indeed, some of the priceless works to be seen and illustrated by the local guide are: Sandro Botticelli's The Birth of Venus, Caravaggio's Medusa, Artemisia Gentileschi's Judith Beheading Holofernes, Titian's Venus of Urbino. All their secrets will be unveiled by the local guide as he/she contextualizes their origins and the stories behind them. After completing the visit, there will be plenty of free time to explore a little bit of the city at your leisure and have lunch or a snack (not included in the price) at a nice restaurant or bar. You will meet the assistant at a given time, head to the train station and cozyly travel back to Rome in the late afternoon. End of services.

Capri island and Blue Grotto

The tiny **island of Capri** has it all: good cuisine, jaw-dropping nature, lovely weather, stunning sights and one of the bluest waters in the whole Tyrrhenian sea. Take one day off from the cityscapes and reach this island from Rome. We'll leave early in the morning: wait for us to pick you up at your centrally located hotel or save time and reach us at our designated meeting point, where you'll be welcomed by our tour leader. Enjoy the Italian landscape while sitting on our private bus traveling to Naples: this will be our first stop, where we'll boat the ferry to Capri island, with its white rocky cliffs plunging into the aquamarine water. We'll land on the island and tour around with a professional guide, visiting the famous Piazzetta and admiring the Faraglioni from afar. But most of all **we'll visit the spectacular Blue Grotto**. A marine temple during Roman times, its bottom hosted three statues of the Roman sea gods Neptune and Triton, and it was used as the personal swimming hole of Emperor Tiberius. Nowadays swimming is forbidden here, and only small rowboats guided by local experts are allowed in the tiny grotto. Once inside, the view is incredible: sunlight, passing through an underwater cavity shines through the seawater and creates a brilliant blue-to-emerald reflection that illuminates the water in the shady cavern. In the late afternoon, we'll sail back to Naples and, from there, we'll travel back to Rome leaving behind the unforgettable colorful island of Capri.

We'll travel with you until we land in Capri, providing transportation and ferry-boat tickets so that you can travel hassle-free and enjoy your relaxing adventure. Reach us at our designated meeting point, where **you'll be welcomed by our tour leader**. Watch the Italian landscape passing by while sitting on our private bus towards Naples: once there, we'll reach the harbour to boat the ferry to Capri island. Then, feel free to stroll around the island: visit the famous Piazzetta and admire the Faraglioni, sip some *limoncello*, take some Instagram-perfect selfies from one of the stunning panoramic views offered by this incredible place and maybe try a slice of *torta caprese*: a delicious chocolate and almond cake that is traditional to the island. You will reach Naples city center from Rome in just one hour and 15 minutes by a high-speed train. According to the day and time of arrival, the Naples walking tour will take place in the morning or in the afternoon. An expert local guide will wait for you in front of Teatro San Carlo, near the Royal Palace and **Piazza del Plebiscito**. We will start from Piazza Plebiscito, and continue through **Galleria Umberto I**, reaching the famous **Spanish Quarters**. Every corner, every street and every glimpse of this city will testify the deep love of the Neapolitan people for Maradona. He was unanimously considered a hero, the one who gave Naples the joy of the first championship trophy. The entire city of Naples testifies to the passage of the "Pibe de Oro". Diegomania it is all around! From graffiti to cakes with his face, from fireworks nicknamed "Maradona's balloon" to all kinds of gadgets and souvenirs, from poems in his honor to Neapolitan nativity scene statuettes... Maradona is without a doubt a true universal icon, but Naples was his second home and Neapolitans will always be grateful to him. By attending this tour, you will visit two of the must-see destinations for any aficionado of "The number 10": **Vico Lungo Gelso** and Piazza Maradona near via Emanuele De Deo. Here, you will admire the famous graffiti and wall paintings dedicated to the Pibe de Oro, as well as a ceramic mosaic by two Italian-French artists, and a stencil by the Argentinian street artist San Spiga, created to celebrate the 30th anniversary of the first championship won by Maradona's Napoli team. You will also see another huge stencil representing Maradona as he dribbles. Continuing on **via Emanuele de Deo (Piazzetta Diego Armando Maradona)**, more wall paintings are to be seen that have become a real pilgrimage destination for supporters and fans. These are dedicated to the soccer player in memory of Napoli's second scudetto, in 1990. a Before or after the tour, there will be free time for you explore other areas of Naples on your own.
