Day 1

Rome

PREMIUM FIT PACKAGES

Welcome to Rome! You will reach your hotel with a driver from the airport. The rest of the day is at leisure. We suggest a casual walk in the stunning city center. You can visit the famous Trevi Fountain: close your eyes, throw a coin over your right shoulder straight into the water... the legend has it that if you do so, you are guaranteed a return to Rome! Maybe walk into Piazza Della Rotonda and enjoy the view of the Pantheon, the only ancient Roman temple that remained standing as it was through the centuries. Why not, reach Piazza Navona and take pictures of the Fountain of the Four Rivers by Bernini: the legend says that the famous Baroque sculptor positioned the Rio de la Plata River as if the statue were covering its eyes so it does not have to look at the facade of the adjacent Sant'Agnese Church designed by his rival Borromini. To know more details about the history of these outstanding sights private guided tours with one of our professional guides are possible.

The package includes a dinner in a must-visit neighborhood in Rome: Trastevere. It is one of the cores of the Roman nightlife, bustling and busy with pubs, restaurants and clubs for all ages. You will have the opportunity to dine in a typical Roman trattoria and discover culinary traditions dating back in time. No worries: we transfer you to the restaurant and will take care of the reservation! Return to your hotel on your own for your overnight stay.

Day 2

Rome

You will finally visit the Vatican Museums and the Colosseum.

After breakfast at your hotel, wait for our driver to come and pick you up. You'll reach the Vatican City for our exclusive Vatican Museums, Sistine Chapel and St. Peter's Basilica Guided Tour. No trip to Rome is complete without a visit to the Vatican Museums. These galleries contain some of the most famous works of art in the world, including works by artists including Leonardo Da Vinci, Michelangelo, Caravaggio, Raphael and Giotto. The 54th gallery of the Vatican Museums is the famed Sistine Chapel. Completed around 1483, the Sistine Chapel is arguably the most famous chapel in the world due to its famous frescoes including the ceiling and The Final Judgement by Michelangelo. The chapel is also still used for religious purposes such as the Papal Conclave – the process through which a new Pope is chosen.

Free time for lunch (not included) In the afternoon, you will join our professional guide to visit the Colosseum. This was once the most famous meeting place in the world holding 50,000-80,000 spectators. Inside, breathe in the Colosseum's bloody past brought to life again by your guide. Leaving the Colosseum, you will see the magnificent Arch of Constantine before arriving at the excavated ruins of the Roman Forum archaeological site, where many structures remain intact to this day. Finally, on Palatine Hill you will learn about the legend of Romulus and Remus. One legend suggests this is how Rome was named for Romulus. Enjoy the rest of the day to explore the city at your leisure. Overnight stay.

Day 3

Rome > Florence

Wake up in the morning at your centrally located hotel and meet your driver after breakfast. You will easily reach Termini Station, and board the high-speed train to Florence: you will be there in less than two hours! Such comfortable trip this is! Don't miss out on the spectacular Italian landscape from your train window as the train heads toward the capital city of the amazing Tuscany. Once in Florence you will check in at your hotel and enjoy some free time. In the afternoon you will meet your expert local guide so you will be in good hands exploring the amazing architecture of this city. Florence has an important role in the civilization of the Western world and Italy. It is visited because of its beauty, and known for the amazing art and architecture. It was a home to many artists, architecture masters and painters along its history - you will be fascinated by its monuments, churches, and buildings. You will see Santa Maria del Fiore, more commonly referred to as the Duomo, Piazza della Signoria, Palazzo della Signoria (also known as Palazzo Vecchio), and the Basilica of Santa Croce. This tour will also offer you the opportunity to visit the famous Galleria dell 'Accademia di Firenze or "Gallery of the Academy of Florence", the home of Michelangelo's sculpture David, an absolute textbook masterpiece. Overnight stay.

After the ride, the "Bacaro Tour" will be next, a visit to a couple local wine bars in the less touristic areas of Venice, where you will taste local wines and the so-called "cicchetti", a kind of Venetian tapas. An exclusivity for our luxury guests! Evening at your leisure. Overnight stay.

Roam along Venice's canals at your leisure, then return to the hotel and spend the night. However, we do suggest you pay a visit to Harry's Bar, a Venetian icon that served most of the European royalties and Golden Age Hollywood celebrities since it first opened its doors in 1931. But everyone is welcome now, if you follow the correct dress code. The bar is famous for inventing the Bellini cocktail (white peach juice and Prosecco).

ITINERARY

Day 1

Rome

Welcome to Rome!

Meet our driver at the airport and transfer to your hotel.

PREMIUM FIT PACKAGES

The package includes a dinner in a must-visit neighborhood in Rome: Trastevere. It is one of the cores of the Roman nightlife, bustling and busy with pubs, restaurants and clubs for all ages. You will have the opportunity to dine in a typical Roman trattoria and discover culinary traditions dating back in time. No worries: we transfer you to the restaurant and will take care of the reservation! Return to your hotel on your own for your overnight stay.

Day 2

Rome

Today a must-see for every traveler who visits Rome: the Colosseum, the symbol of Rome! You can now take advantage of our exclusive prime service and enjoy this day in the most relaxing way. Wake up in the morning at your centrally located hotel and after breakfast wear a pair of comfortable shoes and wait for our driver to come and pick you up: you'll reach the archaeological area to join your group. Enter to the Colosseum and, once inside, breath the bloody past of the Amphitheater and its atmosphere led by passionate and expert guides.

This huge travertine and tuff structure could hold between 50,000 and 80,000 spectators, all hungering for pretty gory shows such as hunting games or gladiatorial fights.

The tour includes also a guided walk in the Roman Forum, the cultural and political center of Ancient Rome, as well as a stroll around the Palatine Hill, the area where the city of Rome was legendary founded by Romulus and where the emperors used to live for centuries. At the end of the tour time at your leisure. Lunch on your own.

In the afternoon reach Trastevere (Vicolo della Scalaccia 8) on your own ready to join our family-friendly class of no more than 12 people at Lo Studio (Vicolo della Scalaccia 8). We'll meet there for this hands-on activity. You'll learn what ingredients are needed to make the perfect pizza dough, how to knead it and how to top it properly.

And you'll do it yourself, choosing your own ingredients: you'll be free to experiment with various recipes and toppings. Bake the pizza in the oven and wait for it to turn into a thin-and-crispy-but-still-fluffy delicacy.

While the pizza is in the oven, enjoy your well-earned rest! Relax and immerse yourself in the unique experience of an Italian pizza dinner.

Start with a tasty bruschetta and make a toast to the good life: water, wine or a soft drink is included. Taste the pizza you prepared and find out whether you developed the skills of an authentic pizzaiolo.

After this cool experience, you can fully enjoy some time to stroll around on your own. Trastevere is one of the cores of the Roman nightlife, bustling and busy with pubs, restaurants and clubs for all ages. You can have a walk before heading back to your hotel.

Overnight stay in Rome.

Day 3

Rome

After a rich breakfast at the hotel you will meet your driver who will take you to the meeting point with your local foodie guide.

You will enjoy a lovely walking tour through local food markets, grocery stores and gelato shops in the areas of Campo De' Fiori, Trastevere, and the Jewish Ghetto.

We know that walking makes one hungry, that's why we thought you'd appreciate some pit-stops! You'll enjoy a slice of freshly baked crispy "Pizza Bianca" (Rome's own version of focaccia) cut in half horizontally and filled with thin slices of freshly cut "mortadella": a traditional, more-Roman-than-the-Colosseum easy snack that locals love.

And what about trying a "Suppli"? This little ball of deep-fried tomato sauce risotto with a heart of melted mozzarella cheese is everyone's favorite street food.

PREMIUM FIT PACKAGES

Pasta will be on the list too, along with some dishes from the Roman Jewish tradition: the carciofo alla giudia a Jewish style deep-fried artichoke that resembles a tiny sunflower or the fried zucchini flower (according to seasonality). Save some space for dessert, because we won't skip our portion of artisan "Gelato"!

At the end of this experience, meet your driver to head to Vatican area, ready to join your group. Meet your professional guide and take a tour of the Vatican Museums, Sistine Chapel and St. Peter's Square, skipping all lines!

Admire the Gallery of Tapestries, the Geographical Maps and the beautiful Raphael's rooms before arriving at the Sistine Chapel, Michelangelo's masterpiece!

The tour couldn't be complete without St. Peter's Square the open space which lies before the basilica, redesigned by Gian Lorenzo Bernini and being itself an architectural masterpiece of the Baroque age. You'll admire St. Peter's Basilica (outside) that isn't only the largest church in the world, but that contains several pieces of fine art: think the canopy designed by Gian Lorenzo Bernini or the Pietà by Michelangelo. At the end of the tour, time at your leisure to discover hidden corners of Rome. Overnight stay.

Day 4

Rome

Today, after breakfast, you will visit Tivoli and its Villas on a private tour. You will meet your Driver to head to Tivoli, a small town located few kilometers away from Rome, in a splendid natural environment between the Eternal city and the high hills to the east of Rome. It's a world-renowned town for hosting two UNESCO World Heritage Sites. It's here that, back in the 2nd century AD, the emperor Hadrian built his majestic villa: a luxury country residence where he used to retreat and where he lived his late years.

The huge complex includes more than 30 buildings, several swimming pools, former thermal stations and covers an area that's larger than a square kilometer, which gives quite an idea of this place's aim: to show the greatness, opulence and vast power of the emperor. In the 16th century, much of the remaining marble and statues were removed from Hadrian's Villa by Cardinal Ippolito II d'Este, to decorate his own villa located nearby: Villa d'Este, another UNESCO world heritage site. Largely frescoed on the inside, the Villa is surrounded by a unique garden, displaying a complex system of pools, water jets, channels, fountains, cascades, and water games. And what makes this system of fountains such an incredible masterpiece of engineering is that it works entirely by the force of gravity, without pumps. Enjoy your day!

Overnight.

Naples

Welcome to Naples! Meet our driver at the airport or station and transfer to your hotel. Overnight stay in Naples.

Day 2

Naples > Pompeii and Mt Vesuvius

Today a must-see for every traveler who visits Italy: Pompeii and the Volcano Vesuvius!

Wake up in the morning at your seafront located hotel and after breakfast, wait for our driver at about 07:40 am to pick you up.

You will be amazed visiting Pompeii, the most famous and evocative archaeological site in the world (UNESCO World Heritage Site) and, after this unique experience, you will take an excursion on the volcano Vesuvius, "the Big Giant", which caused the destruction of this city in 79 AD. The Roman city of Pompeii disappeared under a thick layer of volcanic ashes, blasted over the city as a consequence of a devastating volcanic eruption which killed its inhabitants making it disappear for about 1500 years, until it was rediscovered as one of the best-preserved ancient spots of the world. Frozen at the moment it was buried, this unique archeological site provides a unique snapshot of the Ancient Roman city life. Walking along the streets of Pompeii, you'll discover houses, bakeries, and shops and you'll catch a glimpse into the everyday lives of the Ancients. After Pompeii, drive up Mt Vesuvius and stop in a local restaurant located in a panoramic place along the slopes. Enjoy your wine tasting with local food. Whereupon, our driver will lead you to 1000 m altitude and once there you will walk to the real top of the volcano to see the crater. At the summit, you can enjoy the explanation made by a professional guide of the National Park, or just peek into the crater on your own. You will admire the summit of Mount Somma (1133 m) and to the right the cone of Vesuvius (1281 m), both separated by a valley, called Valley of the Giant. Mt Vesuvius is majestic and stunning at the same time. It is absolutely worth visiting it! At the end of the visit, we'll board our van and travel back to Naples. Overnight stay in Naples.

Day 3

Naples > Amalfi Coast

No holiday in Naples is complete without a trip to the enchanting Amalfi Coast!

Home to limoncello, the delicious lemon liqueur, the Amalfi coast is a stunning location and a UNESCO World Heritage Site. After breakfast at the hotel you will meet your driver and be ready to explore the famous Amalfi Coast. Colorful tiny houses perched upon cliffs and amazing views of the ocean are only a small part of what will make you fall in love with this exclusive destination, one of the most charming villages of southern Italy: Positano and Amalfi. Reach Positano that, thanks to its splendid panoramic position and enchanting town center, is one of the most beautiful villages in the south of Italy. From the quaint, colorful shops that line the roads, to its numerous world famous beaches, Positano will leave you amazed. Free time for lunch (not included), we will then move on to Amalfi: with its Mediterranean architecture, stacked houses and colorful buildings, Amalfi is definitely one of Italy's most VIP summer destinations. You'll spend a whole day with us, touring around the marvelous Amalfi coast, until finally you'll be driven back to Naples.

Day 2

Bari

After breakfast, meet your tour guide at the hotel and off you go on a tour to discover the beauties of Bari. You'll reach its historical center, known as "Bari Vecchia", and learn interesting information about Bari's past as well as the history of its main monuments. Walk down little alleys and find yourself in tiny little squares inside the walls, until you reach the Pontifical Basilica of Saint Nicholas (that contains the relics of Saint Nicholas), the Castello Svevo (or Swabian Castle, built in the XII century by Norman King Roger II and later restored by Frederick II of the Holy Roman Empire), Piazza Mercantile, Piazza Ferrarese, Piazza del Sedile and finally the Basilica di San Sabino. Leisure time in the afternoon. Overnight stay in Bari.

Day 3

Bari > Trani > Andria (masseria) > Castel del Monte > Bari

After breakfast at your hotel, we suggest a visit to Trani, a very important medieval center of the so-called Imperial Apulia. The Jewish ghetto (or Guidecca) and the splendid Romanesque cathedral by the sea are not to be missed. After your free time, we will take you to Andria for lunch and wine tasting in a typical masseria (or large farm). On our way back to Bari, we'll make a stop at the Castel del Monte, the most amazing castle built by Frederick II. It is protected as a World Heritage Site. Its geometric design is unique: it is an octagonal prism with an octagonal tower at each corner. Many mysteries are still unresolved, including the real purpose of the castle. Return to Bari. Overnight.

Day 4

Bari > Alberobello > Matera > Bari

After breakfast, Alberobello is on the list, the "città dei Trulli", also protected as a World Heritage Site. Trulli are dry stone huts with a conical roof originally built for storage purposes. They were also permanent dwellings and are called case dde by locals (or little houses). Alberobello is a gem, a true fairy tale place in the heart of Puglia. We will continue to Basilicata, a border region. Welcome to Matera, its capital, "la città dei sassi" (literally the city of the stones), Italy's own version of Cappadocia in the south of Italy. European Capital of Culture 2019, Matera is a UNESCO Heritage site. Take your time to admire the sassi from different perspectives and overlooks. These cave dwellings inhabited since the Paleolithic period make for the monumental historical center and are connected by a maze of quaint little alleys, which will make you feel like you are catapulted in a real-life nativity scene. We'll visit the historical center and enjoy the views from different overlooks. Return to Bari. Overnight there.

Day 5

Bari > Polignano a Mare > Ostuni > Lecce

After breakfast, we'll set off to one of the most prominent coastal places of Puglia: Polignano a Mare, hometown to Domenico Modugno, Italian singer-songwriter who co-wrote the world-known song Volare (nel blu, dipinto di blu). Polignano was built on the peak of a cliff, and therefore its coastline is characterized by coves, small bays and inlets. Our next stop will be Ostuni, the "città bianca" (or white city), another true gem 74 kilometers (46 miles) south of Bari located on the summit of a hill. It was built by the Normans and has city walls with four gates (remains of them can be seen). The region is a producer of top quality olive oil and wine. We will have time to go around the historical center, eat typical delicacies, shop for food or souvenirs or simply get lost in the old medieval streets. Transfer to Lecce. Overnight in Lecce.

Day 6

Lecce

Day 7

Lecce > Otranto > Santa Cesarea Terme > Santa Maria di Leuca > Lecce

After lunch (not included) a stop is worth in Santa Cesarea Terme and Castro Marina. Afterwards, take your time in Santa Maria di Leuca, a summer time preferred destination famous for its liberty-style residences as well as the iconic lighthouse. Next to the lighthouse is the Sanctuary de Finibus Terrae (1720-1755), built to commemorate the passage of St. Peter during his travel to Italy. Return to Lecce and overnight stay.

Day 8

Lecce > Galatina > Masseria L’uliveto > Gallipoli > Lecce

After breakfast, you will see Galatina - a fascinating and pagan inland little town. The Basilica di Santa Caterina d’Alessandria houses amazing paintings and mosaics. The Baroque church of San Pietro and the small church of San Paolo are on the list of places to see. You will get a clear understanding of the tarantismo as well as the pizzica and taranta folkore dances. Lunch is at L’Uliveto, a beautiful masseria (or large farm). Gallipoli is next, a city of Greek origin. Its urban nucleus, surrounded by medieval walls, is connected to the mainland by a bridge. Gallipoli draws a lot of people during the summer and especially young people for its vibrant nightlife. Return to Lecce. Overnight stay.
